McGraw-Hill Higher Education - YouTube

CNBC's Kelly Evans is joined by Simon Allen, CEO of McGraw-Hill, to discuss the path forward for online education as students stay home amid the coronavirus pandemic. 02:53 Wed, May 13 2020 1:47 ...

This beloved and market-leading Operations Management book has been completely updated in the 14th edition and provides a clear presentation of the field of Operations Management with current real-world examples and thoughtful student pedagogy. The comprehensive breadth of content is presented in more modular flexible chapters, so it may be used for different course levels ranging from undergrad to executive education. That flexibility allows for the choice of more or less quantitative material and flexibility in order of presentation since chapters do not depend on sequence. The topics covered include both strategic issues and practical applications. Among the topics are forecasting, product and service design, capacity planning, management of quality and quality control, inventory management, scheduling, supply chain management, and project management. The use of an adaptive online learning enhances the student experience and success.

This engaging workbook will help your elementary school students build essential vocabulary skills This book will strengthen the vocabulary of your third, fourth, or fifth grader. It will strengthen their vocabulary and encourage them to use their new word skills to excel in their classwork and on standardized tests. The book's lessons focus on a particular subject and include 10 or more vocabulary words related to that topic. Each vocabulary list includes definitions and example sentences. Fun, puzzle-format worksheets accompany each lesson and keep students motivated to learn. Here they can practice the vocabulary they find challenging, polish skills they've mastered, and develop their strengths. With this book to guide them, students will learn how to:

- Apply vocabulary rules
- Understand meaning and usage
- Differentiate among synonyms, antonyms, homophones, prefixes, and suffixes
- Conquer compound words and easily confused words

Vocabulary Grades 3-5 includes:

- Vocabulary specific to the needs of students from grades 3-5
- More than 500 essential vocabulary words
- 45 lessons, each featuring a special topic, a vocabulary list of at least 10 words with definitions and example sentences, followed by vocabulary-building worksheets.
- An alphabetical word list at the end of the book makes looking up vocabulary easy
- An answer key for easy correcting

"Fully updated for the thirteenth edition, the award-winning Art of Public Speaking offers a time-tested approach that has made it the most widely used college textbook on its subject in the world. Providing clear, authoritative coverage and written in a voice that speaks personally to students, it helps them become capable, responsible speakers, listeners, and thinkers. Seamlessly coordinated with Connect, McGraw-Hill Education's pathbreaking online program, it supplies a proven set of teaching and learning tools that is without parallel among public speaking books"--

"'International Business' addresses the strategic, structural and functional implications of international business in firms around the world."--Source inconnue.

Lucas' "The Art of Public Speaking" is the leading public speaking textbook in the field. Whether a novice or an experienced speaker when beginning the course, every student will learn how to be a better public speaker through Lucas' clear explanations. Creative activities, vivid examples, annotated speech samples, and foundation of classic and contemporary rhetoric provide students a strong understanding of public speaking. When instructors teach from this textbook, they benefit from Lucas' Integrated Teaching Package. The Annotated Instructor's Edition and Instructor's Manual, both written by Steve Lucas, provide teaching tips and give outlines on how to use the various supplements. As a result, instructors are able to see various teaching examples, how to integrate technology, and analyses and discussion questions for video clips in class. The Annotated Instructor's Edition, Instructor's Manual, Test Bank, CDs, videos, and other supplements provide instructors the tools needed to create a dynamic classroom. This edition has a supplement to meet the needs of online classes, Teaching Public Speaking Online with The Art of Public Speaking.

McGraw-Hill My Math develops conceptual understanding, computational proficiency, and mathematical literacy. Students will learn, practice, and apply mathematics toward becoming college and career ready.
