A Boy named FDR is a great

Read Free A Boy Named Fdr How Franklin D

non-fiction book about how Franklin D. Roosevelt grew up to become president of the U.S.. It was very interesting and talked about his childhood and persistence when he failed. I liked that he was handed almost everything but that didn't mean he could (or would) ignore those less fortunate than himself.

Reviewed in the United
States on November 26, 2014.
This was a lengthy and
informative picture book
about FDR, focusing on his
childhood but briefly
covering other major events
in his life on his way to
the presidency; a fun read
that didn't give that
"biography" feel to it that
some readers may avoid.
