Anthony Burgess (Author of A Clockwork Orange)

Verified Purchase In one respect, A Clockwork Orange is of its time. Written in 1961 when the 'teenager' as an entity had just come about, (complete with its own language, dress code, music and culture) the novel deals with this 'problem', finds a solution and then considers the consequences.

Still dazzling and transgressive, this groundbreaking novel remains a frightening fable on morality and the meaning of human freedom.

A newly revised text for A Clockwork Orange's 50th anniversary brings the work closest to its author's intentions. A Clockwork Orange is as brilliant, transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick's once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess's own illustrations.

Fully restored edition of Anthony Burgess' original text of A Clockwork Orange, with a glossary of the teen slang 'Nadsat', explanatory notes, pages from the original typescript, interviews, articles and reviews Edited by Andrew Biswell With a Foreword by Martin Amis 'It is a horrorshow story ...' Fifteen-year-old Alex likes lashings of ultraviolence. He and his gang of friends rob, kill and rape their way through a nightmarish future, until the State puts a stop to his riotous excesses. But what will his re-education mean? A dystopian horror, a black comedy, an exploration of choice, A Clockwork Orange is also a work of exuberant invention which created a new language for its characters. This critical edition restores the text of the novel as Anthony Burgess originally wrote it, and includes a glossary of the teen slang 'Nadsat', explanatory notes, pages from the original typescript, interviews, articles and reviews, shedding light on the enduring fascination of the novel's 'sweet and juicy criminality'. Anthony Burgess was born in Manchester in 1917 and educated at Xaverian College and Manchester University. He spent six years in the British Army before becoming a schoolmaster and colonial education officer in Malaya and Brunei. After the success of his Malayan Trilogy, he became a full-time writer in 1959. His books have been published all over the world, and they include The Complete Enderby, Nothing Like the Sun, Napoleon Symphony, Tremor of Intent, Earthly Powers and A Dead Man in Deptford. Anthony Burgess died in London in 1993. Andrew Biswell is the Professor of Modern Literature at Manchester Metropolitan University and the Director of the International Anthony Burgess Foundation. His publications include a biography, The Real Life of Anthony Burgess, which won the Portico Prize in 2006. He is currently editing the letters and short stories of Anthony Burgess.

The Collected Poems of the acclaimed Manchester-born poet, novelist, screenwriter and composer Anthony Burgess.

Set in the near future, *The Wanting Seed* is a Malthusian comedy about the strange world overpopulation will produce. Tristram Foxe and his wife, Beatrice-Joanna, live in their skyscraper world where official family limitation glorifies homosexuality. Eventually, their world is transformed into a chaos of cannibalistic dining-clubs, fantastic fertility rituals, and wars without anger. It is a novel both extravagantly funny and grimly serious.
