A Companion Health membership does not replace health insurance. We advise all members to maintain a separate health insurance plan of their choosing. Please also note that the Affordable Care Act (Obamacare) includes a requirement that all U.S. citizens purchase health insurance. A Companion Health membership does not meet this requirement.

A companion of choice can give support in practical and emotional ways. They can bridge communication gaps between a woman in labour and the healthcare workers around her, offer massage or hand-holding to help relieve pain, and provide reassurance to help her feel in control.

Every woman's right to a companion of choice during childbirth
