~~A Demon's Dark Embrace: An ...~~

As an existing fan of this world, A Demon's Dark Embrace was a fantastic read and I stand by my 5 stars rating. However, because the timeline for this book overlaps events that happened in The Fae Chronicles, jumping straight in with this one may cause new readers to feel a bit lost. There are lots of story threads that run in both series.

A Demon's Dark Embrace is Ristan's story. I had to do a little mental adjusting right off the bat because I always pictured Ristan as pot bellied, bald and blue with swirly eyes. No, no one told me to do that - I suppose I could have paid more attention to actual descriptions in the books - but Ristan was Syn's friend.
