During the Battle of Britain, a British World War II fighter pilot, Gus, looks on the wing of his plane only to see a little man, no more than six inches tall, drilling a hole in the plane's wing, and becomes the first man to ever see Gremlin. \$20,000 ad/promo.

This is a completely updated edition of the 1983 classic that introduced a powerful method for gaining freedom from self-defeating behaviors and beliefs. Rick Carson, creator of the renowned Gremlin-Taming™ Method, has revised the book to include fresh interactive activities, real-life vignettes we can all identify with, and new loathsome gremlins ripe for taming. Carson blends his laid-back style, Taoist wisdom, the Zen Theory of Change, and sound psychology in an easy-to-understand, unique, and practical system for banishing the nemesis within. Among the things you will learn are: Techniques for getting a sliver of light between the natural you and the monster of your mind. The extraordinary power of simply noticing and playing with options. Six keys to maintaining emotional balance amid upheaval.

The Bailey School kids trail the new school secretary to find out why electrical appliances seem to blow up as regularly as her bubble gum!

Rick Carson's Taming Your Gremlin® has helped hundreds of thousands of people combat the inner saboteur lurking in the recesses of every human mind. Now Rick takes you to the next level by revealing new ways to escape your gremlin. Rick shows how to access the "natural you"—a place of clear feelings and pure potential. He also shares his powerful I CREATE method: seven keys for creating rewarding relationships, which our gremlins love to mess with. With wit, wisdom, and plenty of real-life vignettes, Rick helps gremlin-tamers at all levels give gremlins less than the time of day.

Drawing on cognitive behavioural therapy principles, this book is a valuable resource for helping children and young people understand and control their stress. It uses example scenarios, activities and young people's comments to teach them effective emotional management skills and is aimed at those working with young people as well as parents.

Help children to understand and manage their anxiety with this engaging and imaginative workbook. The Anxiety Gremlin is a mischievous creature who loves to gobble up your anxious feelings! The more anxiety you feed him, the bigger and bigger he gets and the more and more anxious you feel! How can you stop this? Starve your Anxiety Gremlin of anxious thoughts, feelings and behaviours, and watch him shrink! Based on cognitive behavioural principles, this workbook uses fun and imaginative activities to teach children how to manage their anxiety by changing how they think and act - getting rid of their Anxiety Gremlins for good! Bursting with stories, puzzles, quizzes, and colouring, drawing and writing games, this is a unique tool for parents or practitioners to use with children aged 5 to 9 years.
