A Monogram Initial Composition Lined  
A personal monogram consists of three initials (first, middle and last names). If someone doesn't have a middle name, they often use a dual initial monogram or opt to use their last name initial only. A man's initials usually don't change—the exception is if he and his spouse use a hyphenated last name after they're married.

In a Traditional Monogram, where the center initial is larger, the initials are ordered first name, last name, and middle name. The last name initial (the middle letter) is larger than those on the side.

Script and Interlocking Monograms. You can create decorative interlocking monograms by using a fancy script font.

Circle and Diamond Monograms. In this style of monogram, the letters are shaped to fit within the outline of a shape — like a circle or a diamond.
