After a career working with rare books at the Boston Public Library, Addie Greyborne is back in her seaside New England hometown—where unfortunately, murder is not so rare . . . Gossip columnists love a bold-faced name—but "Miss Newsy" at Greyborne Harbor's local paper seems to specialize in bald-faced lies. She's pointed a finger of suspicion at Addie after librarian June Winslow never makes it home from a book club meeting. And when June's found at the bottom of a steep flight of stairs, Addie's not only dealing with a busybody, but a dead body. It's a good thing the guy she's dating is the police chief. But both the case and her love life get more complicated when a lanky blonde reporter from Los Angeles shows up. She's trying her hardest to drive a wedge between the couple . . . as if Addie doesn't have enough problems dealing with angry townspeople. Despite all the rumors, Addie doesn't know a thing about the murder—but she plans to find out. And the key may lie in a book about pirate legends that June published.

Voluptuous Constance Ganymede saunters into the office of Dutch Diehard, private detective, one sultry July day and asks him to locate her husband, Franz, an adventurer and playboy who's gone missing. Dutch falls instantly in love (or at least lust) with Constance, eliciting jealousy in his favorite libation, Sputum-neck, that continually calls out to him like some satyr-seducing siren. Constance isn't the only one looking for Franz. Fritz Ganymede, twin brother of the missing Franz, also hires Dutch to find Franz, doubling Dutch's income to two halves of nothing. In spite of mangling facts to fit his hypotheses, Dutch is left with more questions than answers. Who paid Dutch a thousand in cash to play dumb? Which Ganymede did Dutch find taking a final beauty nap? Why is the military involved? Who keeps putting gum on the bottom of restaurant tables? Wait ... we don't actually deal with that last one in this book. Dutch Diehard is forced to wade through his many, MANY vices (and voices) to stay alive, get the girl, and solve the case. Achieving all of that might be aiming a little high, but high is where Dutch Diehard lives. Does that even make sense? It will, but God's teeth it gets convoluted.

Yeardley Love was a star athlete and student with her whole life ahead of her. Born into a world of privilege, Yeardley was exceptionally modest and generous. She was adored by many, especially the members of her lacrosse team at the University of Virginia, where she won the heart of another lacrosse player: George Huguely V. As champion athletes, Yeardley and George were a celebrity couple at UVA. But George's hard partying, hostile behavior, and jealousy proved too much for Yeardley. Then, just one month before graduation, Yeardley's lifeless body was found in her campus apartment... According to an affidavit, George admitted to bashing down her door and hitting her head against a wall. Did he intend to kill her? His lawyer claimed Yeardley's death was at most an accident. But as investigators uncovered more about George's past, they learned he was no stranger to violence: He was involved in at least two prior episodes of alcohol-fueled assault. And despite George's elite origins and seemingly perfect young life, police insist he was a time bomb about to explode... This is the true story of two young lovers and one All-American Murder.

But when Addie later finds the appraiser dead in the estate's private library, with the door bolted from the inside, and the priceless edition missing, it's a mystery worthy of the Great Detective himself. She's certain the death and the robbery are connected—but who, other than a ghost who can walk through walls, could have gotten in to do the deed?
