For centuries trade has been vital to the growth and prosperity of societies. The ancient world saw the expansion of Western Asian, Mediterranean and Polynesian civilizations as transport networks for trade were established. These routes were instrumental in founding urban centres and trading ports that became ethnically and culturally diverse hubs of commerce and learning. Later, imperial expansion reached far-flung corners of the world, bringing all manner of goods to a mass populace. The Great Trade Routes examines the principal trade networks throughout history.
