The owners of Sinfully Sweet, an upscale sweets shop, want to test their theory that chocolate is the ultimate aphrodisiac. So they conduct an unorthodox study, disguised as a Valentine's Day promotion. When the unsuspecting customers start grabbing up the chocolates—the experimental results go right off the charts! Sensible Rebecca Moore impulsively decides to take up the offer of millionaire playboy Connor Bassett to have a wildly erotic fling. Upright Daniel Montgomery and free-spirited Carlie Pratt find out that opposites don't just attract, they set the sheets on fire! Not as a struggling actress and definitely not with her longtime crush, Connor, now so close to her bedroom. The devastating, gorgeous club owner has always been off-limits to her. But given that he's letting her stay with him, that means...well, he might be open to reworking certain sexual boundaries. With a little private time, Brie is determined to seduce him, cooking him romantic meals and prancing around in lacy lingerie. He shouldn't expect a creative beauty to be hemmed in by virtue—or clothing. So it doesn't take long for Connor to trade some late hours at the office for sultry nights with Brie. He seems tailor-made for her in every way. From his well-ordered life to messing up the sheets, there's no one else. But would he risk losing his best friend—and his business—for a chance at true love? Take control. Feel the rush. Explore your fantasies—Harlequin DARE publishes sexy romances featuring powerful alpha males and bold, fearless heroines exploring their deepest fantasies.
