INSTANT NEW YORK TIMES BESTSELLER A laugh-out-loud funny look at pop culture and social media stardom from one of the most popular funemployed millennials today, perfect for fans of Next Level Basic and The Betches. As the creator of the breakout Instagram account @GirlWithNoJob, Claudia Oshry has turned not wanting an ordinary career into a thriving media company and pop culture-focused podcast and morning show. The origins of her pop culture obsessions can be traced back to household debates over boy bands, and her flair for the dramatic to her young emulation of Blair Waldorf. When she started @GirlWithNoJob, Claudia entered that world herself as a social media influencer, sharing her unbelievable—and unbelievably awkward—encounters with some of her favorite A-listers as she navigates her incredible access. Now, in this juicy, behind-the-scenes look at the life of an Instagram sensation, Claudia leaves nothing out as she contemplates staying true to yourself while hustling in today's digital culture. Sometimes the best lessons are learned the hard way, and her journey hasn't been without its punch-in-the-face doses of humility. But, like anyone with a relentless desire to be popular, she dusts herself off and finds a new, better way forward. With humor and unique insights, Claudia examines the nature of social media celebrity, the many sides of fandom, and cancel culture. If there's one thing she knows for sure, she was born thirsty, and she's here for another round!

Finding fulfillment in both love and work isn't easy—but it's possible. The majority of couples today are dual-career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual-career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In *Couples That Work*, INSEAD professor Jennifer Petriglieri rejects conventional, one-size-fits-all solutions and instead focuses on how dual-career couples can tackle and resolve the challenges they face throughout their lives—together. She identifies three key phases of exploration and personal growth in every couple's work-life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often involves the demands of young children. What do we really want? In the second phase, couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled. Who are we now? With careers winding down and kids grown up, this last phase offers new freedoms—and uncertainties. Based on a five-year research project, the book includes interviews with couples from over thirty countries—from executives to entrepreneurs and from twentysomething newlyweds to dual-career grandparents. Filled with vivid real-life stories, keen insights, and engaging exercises, *Couples That Work* will help couples develop their own unique answers to that most pressing question: How can we successfully combine love and work?

From an early age, kids get messages of what they can and cannot do. ABC What Can I Be? presents a whole alphabet full of things children can do when they grow up.
