This revised and fully updated edition continues to provide  
students with a clear and well-structured introduction to  
financial and management accounting. The fourth edition  
retains all of the classic features that have contributed to the  
book ' s success: clarity of expression, the focus on the  
accounting equation, student activities and real-life  
commentaries running through each chapter, and the  
inclusion of the Safe and Sure Annual Report as a real world  
example of a listed company.
