Agency Theory and Corporate Governance

Agency theory is part of the bigger topic of corporate governance. It involves the problem of directors controlling a company whilst

Online Library Agency Theory And Corporate

shareholders own the company. In the past, a problem was identified whereby the directors might not act in the shareholders (or other stakeholders) best interests.

Online Library Agency Theory And Corporate

Agency theory

Agency theory defines the relationship between the principals (such as shareholders of company) and agents (such as directors of company). According to this theory, the principals of

Online Library Agency Theory And Corporate

the company hire the agents to perform work. The principals delegate the work of running the business to the directors or managers, who are agents of shareholders.
