~~Before You Go: America's
Culture and Customs~~

American Cinema/American Culture is a well written book. It takes you through the evolution of the movie industry throughout history. It has a very pragmatic point of view when explaining the social motives for introducing new artifacts and techniques in the movie-making process, almost in a deterministic cause/effect pattern.

American Cultural Studies by
Neil Campbell and Alasdair
Kean offers an introduction
to American culture for
students through
interdisciplinary study. The
authors examine the tensions
that exist within the multi-
faceted and multi-cultural
mix of American life and
explore a range of
approaches to key themes and
topics.
