"Amphigorey Also" by Edward Gorey is an eccentric visual slice of fantasy created by a prolific illustrator and quixotic writer who definitely knows how to bring out one's inner child. Rendered in black and white gothic glamour I particularly admired "The Letter Zoo Alphabet" and the way Gorey matched the rhyming nonsense text with the illustrations.

Amphigorey Also is the third volume of collected works by Edward Gorey, featuring seventeen tightly focused, darkly humorous pieces. They aren't in any thematic or chronological sequence but the tone of Gorey's work was so consistent over almost forty years of creativity that this volume feels excellently curated.

AMPHIGOREY ALSO is another compendium of Edward Gorey's stories in the form of pen-and-ink drawings with pithy captions. While it doesn't contain his most notorious book--THE GASHLYCRUMB TINIES in the first AMPHIGOREY, I found this to be the most consistent amusing of his three anthologies. The works here are of several different styles.

#### Amphigorey Also book by Edward Gorey - ThriftBooks

There are four compilations comprising the body of Edward Gorey's work not including collaborations: Amphigorey, Amphigorey Too, Amphigorey Again and Amphigorey Also. They were done posthumously and each one is terrific. Amphigorey contains his best. It's like the first greatest hits album from a band with more than enough material for four of them.

#### Amphigorey Too (Amphigorey, #2) by Edward Gorey

Edward Gorey (1925-2000) wrote and illustrated such popular books as The Doubtful Guest, The Gashlycrumb Tinies, and The Headless Bust. He was also a very successful set and costume designer, earning a Tony Award for his Broadway production of Edward Gorey's Dracula. Animated sequences of his work have introduced the PBS series Mystery! since 1980.

The books in this series (Amphigorey, Amphigorey Too and this one) benefit from the warped wit of Gorey, but the size of the images is so small that it becomes difficult to make out the fine details. I like to read them to my kids (ages 9 and 12) but we have to be all scrunched together to make out the visuals.

Brings together seventeen illustrated nonsense compositions, including "Epileptic Bicycle," "The Utter Zoo," "The Blue Aspic," "The Sopping Thursday," and "The Glorious Nosebleed"

An offbeat compilation of whimsical and eccentric illustrations by the late Tony Award-winning designer best known for his animated sequences introducing the PBS Mystery! series includes previously uncollected works, as well as two unpublished stories: "The Izzard Book" and "La Malle Saignante." Reprint.

Somber drawings illustrate short, enigmatic, and macabre tales and rhymes about murders, unusual animals, and mysterious events.

An exploration of the artistic and cultural influences that shaped writer and illustrator Edward Gorey The illustrator, designer, and writer Edward Gorey (1925-2000) is beloved for his droll, surreal, and slightly sinister drawings. While he is perhaps best known for his fanciful, macabre books, such as The Doubtful Guest and The Gashlycrumb Tinies, his instantly recognizable imagery can be seen everywhere from the New Yorker to the opening title sequence of the television series Mystery! on PBS. Gorey's Worlds delves into the numerous and surprising cultural and artistic sources that influenced Gorey's unique visual language. Gorey was an inveterate collector--he called it "accumulating." A variety of objects shaped his artistic mindset, from works of popular culture to the more than twenty-six thousand books he owned and the art pieces in his vast collection. This collection, which Gorey left to the Wadsworth Atheneum Museum of Art upon his death, is diverse in style, subject, and media, and includes prints by Eugène Delacroix, Charles Meryon, Edvard Munch, and Odilon Redon; photographs by Eugène Atget; and drawings by Balthus, Pierre Bonnard, Charles Burchfield, Bill Traylor, and Édouard Vuillard. As this book shows, these artistic pieces present a visual riddle, as the connections between them--to each other and to Gorey's works--are significant and enigmatic. The essays in Gorey's Worlds also examine the artist's consuming passions for animals and ballet. Featuring a sumptuous selection of Gorey's creations alongside his fascinating and diverse collections, Gorey's Worlds reveals the private world that

Fifteen works by the American artist and author provide a journey into a macabre world

'Thirty-five imaginative and humorous poems for an adult and a child to read aloud together. . . . The entertaining verses are varied as to length, rhythm, and subject and are illustrated with harmoniously amusing drawings.' -BL.

The definitive biography of Edward Gorey, the eccentric master of macabre nonsense. From *The Gashlycrumb Tinies* to *The Doubtful Guest*, Edward Gorey's wickedly funny and deliciously sinister little books have influenced our culture in innumerable ways, from the works of Tim Burton and Neil Gaiman to Lemony Snicket. Some even call him the Grandfather of Goth. But who was this man, who lived with over twenty thousand books and six cats, who roomed with Frank O'Hara at Harvard, and was known--in the late 1940s, no less--to traipse around in full-length fur coats, clanking bracelets, and an Edwardian beard? An eccentric, a gregarious recluse, an enigmatic auteur of whimsically morbid masterpieces, yes--but who was the real Edward Gorey behind the Oscar Wildean pose? He published over a hundred books and illustrated works by Samuel Beckett, T.S. Eliot, Edward Lear, John Updike, Charles Dickens, Hilaire Belloc, Muriel Spark, Bram Stoker, Gilbert & Sullivan, and others. At the same time, he was a deeply complicated and conflicted individual, a man whose art reflected his obsessions with the disquieting and the darkly hilarious. Based on newly uncovered correspondence and interviews with personalities as diverse as John Ashbery, Donald Hall, Lemony Snicket, Neil Gaiman, and Anna Sui, *BORN TO BE POSTHUMOUS* draws back the curtain on the eccentric genius and mysterious life of Edward Gorey.

A cat and a doll make their own delightful world in a tree until a large moth carries them away--who knows where?

When a family moves into a new house they find a sheep dog in the backyard that seems to want something, but four-year-old Ogden, his older brother, and their parents are unable to discover what it is.
