The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while In 1942, with zis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding.The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascing commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

Romance, Magic, Lies. For fans of elves, shapeshifters and elemental control.

The beloved, #1 global bestseller by John Green, author of The Anthropocene Reviewed and Turtles All the Way Down “John Green is one of the best writers alive.” –E. Lockhart, #1 bestselling author of We Were Liars “The greatest romance story of this decade.” –Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of The Anthropocene Reviewed and Turtles All the Way Down, The Fault in Our Stars is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

Features unpublished goblin illustrations by legendary illustrator and concept artist Brian Froud and an exclusive peek into Jim Henson's creative process with 50 never-before-seen pages from his personal journal, detailing the initial conception of his ideas for LABYRINTH.

The bestselling phenomenon and inspiration for the award-winning film. Earthy, magical, and utterly charming, this tale of family life in turn-of-the-century Mexico blends poignant romance and bittersweet wit. This classic love story takes place on the De la Garza ranch, as the tyrannical owner, Mama Elena, chops onions at the kitchen table in her final days of pregnancy. While still in her mother's womb, her daughter to be weeps so violently she causes an early labor, and little Tita slips out amid the spices and fixings for noodle soup. This early encounter with food soon becomes a way of life, and Tita grows up to be a master chef, using cooking to express herself and sharing recipes with readers along the way.

A compendium of straightforward techniques on how to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld -- can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust, accentuating the positive, and redirecting negative behavior -- all of which make these extraordinary performances possible. Kingsley took a hard look at his own accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between "GOTcha" (catching people doing things wrong) and "Whale Done!" (catching people doing things right). In Whale Done!, Ken Blanchard shows how to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives.

An NYRB Classics Original Thus Were Their Faces offers a comprehensive selection of the short fiction of Silvina Ocampo, undoubtedly one of the twentieth century's great masters of the story and the novella. Here are tales of doubles and impostors, angels and demons, a marble statue of a winged horse that speaks, a beautiful seer who writes the autobiography of her own death, a lapdog who records the dreams of an old woman, a suicidal romance, and much else that is incredible, mad, sublime, and delicious. Italo Calvino has written that no other writer "better captures the magic inside everyday rituals, the forbidden or hidden face that our mirrors don't show us." Jorge Luis Borges flatly declared, "Silvina Ocampo is one of our best writers. Her stories have no equal in our literature." Dark, gothic, fantastic, and grotesque, these haunting stories are among the world's most individual and finest.

A simple yet powerful method of communication for mediating conflicts and peacefully resolving differences at the political, professional, and personal levels.
