## ~~Marriage Research Paper — Research Paper Examples ...~~

Arranged marriage is a form of marital union in which family members or matchmakers select spouses for someone based on cultural background, financial status, dietary habits, religion and other key factors. This type of marriage is mostly practiced in the Middle East, South East Asia, Africa and some South American countries.

## ~~Arranged Marriages Essay | Bartleby~~

In an arranged marriage, both prospective spouses are committed and have a very clear objective: marriage. They are both serious about getting married and have a mature attitude toward marriage. This point becomes very clear when we consider that the average age of Japanese seeking an arranged marriage is higher than the average marrying age.

marriages in India, you need to base your narrative in something related to your life and experiences. To do that, having some facts might make the work a bit easier. Remember too that these should only help to guide the direction of your narrative essay, but that the true substance of the work should revolve around your personal stories or experiences.
