A contemporary look at domestic violence and the toll it takes on one girl's life as she finds love and hope in a new city from USA Today bestselling author K.A. Linde... I didn't have a game plan when I decided to leave St. Louis on a Chicago-bound train for the summer. Just a reason. One I couldn't share with anyone. Not Hadley, my best friend from college, who lets me stay in the guest bedroom with no questions asked. Or Hadley's boyfriend Garrett who befriends me when I have no one else to turn to. Or Brennan, the local bartender, who I find myself falling head over heels for. Desperate to hide, I'm plunged into a new life in the city. Everyone around me starts to reveal sides of themselves I never expected. And just when I starts to get comfortable, I find that my past just won't stop...following me.

Growing up, Chyna was handed everything on a silver platter. She never wanted for anything, except love—unconditional love from her parents. Love was a foreign emotion, and watching her parents love/hate relationship was never easy. So when it came to her personal life, she made sure she never had to relive that. With looks that could kill, it was simple for Chyna to be the love 'em and leave 'em kind of girl. And she had always been okay with it. She would rather be single the rest of her life then end up as miserable as her parents. So when a man rescued her after she was drugged in a night club, she never expected to start a relationship with him. But one chance meeting changes it all. Chyna is offered a once in a lifetime opportunity that could sky rocket her career, and she is forced to make a decision that could ruin everything.

With her every move under a vicious magnifying glass, the passionate bond between the congressman and the journalist gets tested at every stop. Liz and Brady may be setting off fireworks along the campaign trail, but can their love transcend politics as usual?

A stand alone black sheep second chance romance from USA Today bestselling author K.A. Linde that New York Times bestselling author A.L. Jackson calls "hot and bad in the best way!" Clay Maxwell is a smart, quick witted, sex-driven, manwhore with the good looks to match. Plenty of women have shared his bed, but only one has ever been constant, Andrea. Their rules were simple. When they're together, it's just the two of them. When they're apart, anything is fair game. And it worked. For ten years. Now, one of them has changed the game... But is the thrill of the game worth losing the one girl he's always loved?
