Becoming Naturally Therapeutic: A Return To The True ...
Becoming Naturally Therapeutic: A Return To The True Essence of Helping. By Jacquelyn Small. You may never have thought of yourself as a therapist, having reserved that title for people who have professional counselor roles. Yet research has made clear that the most therapeutic responses to people in trouble often come from "ordinary people" who don't think of themselves as experts, teachers, judges, counselors, or ministers.

If you are honest and genuine with your patients, eventually they will reciprocate. This can help your patients become more receptive, talk more, and have more productive sessions. Take your time. Relationships with patients develop at a similar pace to relationships that you have with friends and loved ones. Allowing patient/therapist relationships to build with time will help ensure that those relationships are healthy and productive.

12 Things I Wish I Knew Before I Became a Therapist ...
They found that: Targeted programmes designed for people with a health or social need, showed a return of £6.88 for every £1 invested. This value was generated from health gains such as improved mental wellbeing. For those attending general volunteering programmes, the value was even higher with a return of £8.50 for every £1 invested.

Nature for health and wellbeing | The Wildlife Trusts
Schools are aware that some pupils will require additional emotional and pastoral support when they return to school, so making time for pastoral care is a priority.
