Rawley is a very decent chap who finds himself forced to become a
deserter after accidentally killing a sadistic, lazy, and cowardly

Behind the Lines is a new take on the mech genre. I have an affinity towards mech novels and I ' ve read quite a bit of Battletech. This book brought a lot of new stuff to the table for me, especially all of the alien races. I really appreciated how the book also had good amounts of infantry combat and huge epic space battles.
