Everyone has secrets. Some we keep to protect ourselves, others we keep to protect those we love. Cornelia Brown surprised herself when she was gripped by the sudden, inescapable desire to move with her husband to the suburbs. Her mettle is quickly tested by her impeccably dressed, overly judgmental neighbor Piper Truitt—the embodiment of everything Cornelia feared she'd find in suburbia. With Lake, another recent arrival, Cornelia shares a love of literature and old movies—as she forms an instant bond with this warm yet elusive woman and her perceptive, brilliant young son, Dev. But there are shocking secrets and unexpected surprises lurking beneath the peaceful veneer of suburban life—and nothing is quite what it seems.

Cornelia Brown surprised herself when she was gripped by the sudden, inescapable desire to move to the suburbs with her husband. Her mettle is quickly tested by her impeccably dressed, overly judgmental neighbor Piper Truitt—the embodiment of everything Cornelia feared she'd find in suburbia. With Lake, another recent arrival, Cornelia shares a love of literature and old movies—as she forms an instant bond with this warm yet elusive woman and her perceptive, brilliant young son Dev. Acclaimed bestselling author Marisa de los Santos's literary talents shine in the complex interactions she creates between three unforgettable women, deftly entangling her characters in a web of trust, betrayal, love, and sophisticated women ' s fiction that invites discussion as it touches the heart—and the ideal companion to de los Santos ' s previous blockbuster, Love Walked In.

" Marisa de los Santos ' s Belong to Me is my favorite discovery of the past years: a terrific page-turner that ' s also poignant, funny, surprising and deeply heartfelt. " —Harlan Coben " Complex, engaging, and surprisingly moving. " —Boston Globe The sensational New York Times bestseller from Marisa de los Santos, Belong to Me is a gift for readers, an enchanting, luminous novel about the accidents, both big and small, that affect our choice of friend, lover, and spouse. A story centered around three very different suburban neighbors and what it truly means to " belong " to someone, this eye-opening, unforgettable book is the perfect book club selection—beautifully written, smart and sophisticated women ' s fiction that invites discussion as it touches the heart—and the ideal companion to de los Santos ' s previous blockbuster, Love Walked In.

As she works with Baltimore homicide detective J.D. Fitzpatrick to catch a serial killer, medical examiner Dr. Lucy Trask tries keep him at arms length so that he never discovers the dark secret that links her to the killer.

Regina Clausen was forty-three, successful in her career but insecure and unfulfilled in her personal life. Travelling alone on the luxury liner Gabrielle, she disembarked in Hong Kong saying she would rejoin the ship when it docked in Japan. She was never seen again. . Five years later, radio presenter Susan Chandler does a series about vanishing women on her radio talk show. When a caller, who refuses to identify herself, tells of meeting a man on a cruise who gave her a ring inscribed 'You Belong to Me', but then disappeared when she refused to leave the ship with him, she thinks little of it. But then Regina's mother appears at Susan's office with a ring bearing the same inscription which was found amongst her daughter's belongings, and Susan begins to suspect that they are on the trail of something dangerously sinister...

A heartwarming story of the unconditional love that parents (both humans as well as animals) have for their children. The simple text of love, caring and protection is accompanied by adorable illustrations of animals and dinosaurs that hug, help, and protect a human child. The comforting text is ideal for a soothing bedtime story. This beautiful book is a perfect gift for parents with a newborn baby.

A collection of true-crime writings includes the story of Tim Harris, a Florida state trooper who hid bizarre and fatal fantasies behind his badge

Acclaimed book, now in English and Spanish, helps adults teach children about abuse, getting help, and how to set boundaries to stay safe. Without being taught about body boundaries, a child may be too young to understand when abuse is happening—or that it ' s wrong. Now available in a bilingual English-Spanish edition, My Body Belongs to Me /Mi cuerpo me pertenece offers a tool parents, teachers, and counselors can use to sensitively share and discuss the topic of sexual abuse. Through simple language and colorful illustrations, this straightforward, gentle book guides young children to understand that their private parts belong to them alone. The overriding message is that if someone touches your private parts, tell your mom, your dad, your teacher, or another safe adult. In a country where, according to estimates from the CDC, one in four girls and one in six boys will be sexually abused before age eighteen, this book is an essential abuse-prevention resource to help children feel, be, and stay safe. Using her experience working as a New York City prosecutor of child abuse and sex crimes, Jill Starishevsky has crafted a book that addresses body boundaries in a way that kids can understand and that doesn ' t seem scary or heavy-handed. Includes, in both English and Spanish, a letter to adults at the beginning and a section in the back with suggestions and resources for discussing the book with children.

From the illustrator of the #1 smash hit The Day the Crayons Quit comes the age-old tale of a boy and his moose . . . Wilfred is a boy with rules. He lives a very orderly life. It's fortunate, then, that he has a pet who abides by rules, such as not making noise while Wilfred educates him on his record collection. There is, however, one rule that Wilfred's pet has difficulty following: Going whichever way Wilfred wants to go. Perhaps this is because Wilfred's pet doesn't quite realize that he belongs to anyone. A moose can be obstinate in such ways. Fortunately, the two manage to work out a compromise. Let's just say it involves apples. Oliver Jeffers, the bestselling creator of Stuck and The Incredible Book Eating Boy, delivers another deceptively simple book sure to make kids giggle.

When a deranged fan threatens to kill a beautiful science fiction writer, only her ex-husband can save her... and maybe recapture her heart.
