Maybe your wall is only a single brick because of a hurt you experienced as a teenager. Or maybe your wall is a thick concrete slab because of the pain of a divorce or broken promise. Either way, you have decided not to trust anyone-even God. This book speaks to the heart of your relationships and provides the tools to demolish the wall. Deep down you know that the wall you've built also keeps out the One who can restore you.

All the immense value of the book is available in this participant's guide for groups of any size. It will encourage spiritual and emotional growth and character development that enables dating--within God's boundaries--to be fun, spiritually fulfilling, and growth producing.

We learn in childhood to hide from pain, and often continue hiding our hurt from God and others in adulthood. Here Townsend presents a scriptural approach to help us identify these unhealthy withdrawal patterns and find healing, freedom and security in connected, grace-filled relationships. Includes discussion guide.

A pioneering neuroscientist shows how the long-sought merger of brains with machines is about to become a paradigm-shifting reality Imagine living in a world where people use their computers, drive their cars, and communicate with one another simply by thinking. In this stunning and inspiring work, Duke University neuroscientist Miguel Nicolelis shares his revolutionary insights into how the brain creates thought and the human sense of self—and how this might be augmented by machines, so that the entire universe will be within our reach. Beyond Boundaries draws on Nicolelis's ground-breaking research with monkeys that he taught to control the movements of a robot located halfway around the globe by using brain signals alone. Nicolelis's work with primates has uncovered a new method for capturing brain function—by recording rich neuronal symphonies rather than the activity of single neurons. His lab is now paving the way for a new treatment for Parkinson's, silk-thin exoskeletons to grant mobility to the paralyzed, and breathtaking leaps in space exploration, global communication, manufacturing, and more. Beyond Boundaries promises to reshape our concept of the technological future, to a world filled with promise and hope.

At one time or another we have all been betrayed by someone we trusted, all felt the sting of deceit and subsequent shattering of self-confidence. And when the people we count on betray our trust, the wound is deep and long-lasting. In *How Could You Do This to Me?*, Dr. Jane Greer teaches readers: the types of people who are more at risk of betrayal the warning signs of someone who is untrustworthy a process that helps decide whether a relationship is worth saving or whether it should be abandoned. Part One discusses the roots of trust, blind trust, and the reasons betrayers betray. Part Two reveals our betrayers' many faces: admirers, users, or rivals. Part Three focuses on the fallout from betrayal: confrontation, revenge, and betrayal, and talks about how you can learn to trust your judgment and others again.

In this six-session small group bible study (DVD/digital video sold separately), bestselling author Dr. John Townsend helps you discover a simple path to regain the intimacy and fulfilling closeness that every person needs. Difficult relationships can damage our ability to trust, causing us to shut down. But God designed us to experience freedom and love. To live this way, we all eventually need to take a risk. After six books on *Boundaries*, bestselling author Dr. John Townsend realized that, though people who experienced tough relationships may put up an emotional wall to protect themselves, they often have no idea how to reconnect – either with the person who has damaged their trust, or with new relationships. Sessions include: Understanding the Problem (18:00) Knowing When You 're Ready, Part 1 (16:00) Knowing When You 're Ready, Part 2 (15:00) Knowing When the Other Person is Ready (17:00) Moving into Relationship, Part 1 (17:00) Moving into Relationship, Part 2 (18:00) Designed for use with the *Beyond Boundaries* Video Study 97801310684480 (sold separately).

Too many of us have invested ourselves into relationships that left us deeply wounded. We've been abandoned or taken advantage of, and left with little to show for what we've given. We've lost our sense of security and personal value in the process. And what's worse, we tend to either repeat the same mistakes of judgment over and over . . . Or else lock the doors of our hearts entirely and throw away the key. Why do we choose the wrong people to get involved with? Is it possible to change? And if so, where does one begin? Drs. Henry Cloud and John Townsend offer solid guidance for making safe choices in relationships, from friendships to romance. They help identify the nurturing people we all need in our lives, as well as ones we need to learn to avoid. *Safe People* will help you to recognize 20 traits of relationally untrustworthy people. Discover what makes some people relationally safe, and how to avoid unhealthy entanglements. You'll learn about things within yourself that jeopardize your relational security. And you'll find out what to do and what not to do to develop a balanced, healthy approach to relationships.
