The story of genre fiction - horror, romantic fiction, science fiction, crime writing, and more - is also the story of Irish fiction. Irish writers have given the world Lemuel Gulliver, Dracula, and the world of Narnia. They have produced pioneering tales of detection, terrifying ghost stories and ground-breaking women's popular fiction. Now, for the first time, John Connolly's one volume presents the history of Irish genre writing and uses it to explore how we think about fiction itself. Deeply researched, and passionately argued, SHADOW VOICES takes the lives of more than sixty writers - by turns tragic, amusing, and adventurous, but always extraordinary - and sets them alongside the stories they have written, to create a new way of looking at genre and literature, both Irish and beyond. Here are vampires and monsters,

murderers and cannibals. Here are female criminal masterminds and dogged detectives, star-crossed lovers and vengeful spouses. Here are the SHADOW VOICES.

In this story for readers of *The Curious Incident of the Dog in the Night-Time* and *A Man Called Ove*, when all seems lost, he finds what matters most. Walter Lavender Jr. is a master of finding. A wearer of high-tops. A maker of croissants. A son keeping vigil, twelve years counting. But he wouldn't be able to tell you. Silenced by his motor speech disorder, Walter's life gets lonely. Fortunately, he has *The Lavenders*—his mother's enchanted dessert shop, where marzipan dragons breathe actual fire. He also has a knack for tracking down any missing thing—except for his lost father. So when the Book at

the root of the bakery's magic vanishes, Walter, accompanied by his overweight golden retriever, journeys through New York City to find it—along the way encountering an unforgettable cast of lost souls. Steeped in nostalgic wonder, *The Luster of Lost Things* explores the depths of our capacity for kindness and our ability to heal. A lyrical meditation on why we become lost and how we are found, from the bright, broken heart of a boy who knows where to look for everyone but himself.

Fangirl meets Jane Austen in this deeply heartfelt love story about hiding the worst parts of ourselves, and the people who love us anyway. “How could I open that door and let him see the messiest part of me?” From the moment she first learned

to read, literary genius Darcy Wells has spent most of her time living in the worlds of her books. There, she can avoid the crushing reality of her mother's hoarding and pretend her life is simply ordinary. But then Asher Fleet, a former teen pilot with an unexpectedly shattered future, walks into the bookstore where she works...and straight into her heart. For the first time in her life, Darcy can't seem to find the right words. Fairy tales are one thing, but real love makes her want to hide behind her carefully constructed ink-and-paper wall. Still, after spending her whole life keeping people out, something about Asher makes Darcy want to open up. But securing her own happily-ever-after will mean she'll need to stop hiding and start living her own truth—even if it's messy. "A lovely tale for bookish readers that will give them all the

A charming, clever, and quietly moving debut novel of of endless possibilities and joyful discoveries that explores the promises we make and break, losing and finding ourselves, the objects that hold magic and meaning for our lives, and the surprising connections that bind us. Lime green plastic flower-shaped hair bobbles—Found, on the playing field, Derrywood Park, 2nd September. Bone china cup and saucer—Found, on a bench in Riveria Public Gardens, 31st October. Anthony Peardew is the keeper of lost things. Forty years ago, he carelessly lost a keepsake from his beloved fiancée, Therese. That very same day, she died unexpectedly. Brokenhearted, Anthony sought consolation in rescuing lost objects—the

things others have dropped, misplaced, or accidentally left behind—and writing stories about them. Now, in the twilight of his life, Anthony worries that he has not fully discharged his duty to reconcile all the lost things with their owners. As the end nears, he bequeaths his secret life's mission to his unsuspecting assistant, Laura, leaving her his house and all its lost treasures, including an irritable ghost. Recovering from a bad divorce, Laura, in some ways, is one of Anthony's lost things. But when the lonely woman moves into his mansion, her life begins to change. She finds a new friend in the neighbor's quirky daughter, Sunshine, and a welcome distraction in Freddy, the rugged gardener. As the dark cloud engulfing her lifts, Laura, accompanied by her new companions, sets out to realize Anthony's last wish: reuniting

his cherished lost objects with their owners. Long ago, Eunice found a trinket on the London pavement and kept it through the years. Now, with her own end drawing near, she has lost something precious—a tragic twist of fate that forces her to break a promise she once made. As the Keeper of Lost Objects, Laura holds the key to Anthony and Eunice's redemption. But can she unlock the past and make the connections that will lay their spirits to rest? Full of character, wit, and wisdom, *The Keeper of Lost Things* is heartwarming tale that will enchant fans of *The Particular Sadness of Lemon Cake*, *Garden Spells*, *Mrs Queen Takes the Train*, and *The Silver Linings Playbook*.

Aida Zilelian's breathtaking debut novel, *The Legacy of Lost*

Things, follows three generations of a family of Armenian immigrants living in the United States, as they struggle with one another and against the Old World expectations of their community. When Araxi, the oldest daughter of the desperately unhappy Levon and Tamar, goes missing, the remaining family members are forced to confront their painful histories together, and the role each of them has played in driving Araxi away. Through Araxi and her family, readers are given a unique look at the generational and cultural tensions that both keep families together and tear them apart. Using spare, poignant prose, Zilelian deftly explores the themes of romance, duty, infidelity and guilt. Because of the mature content, this book is intended for adult and young adult audiences.

When Max's parents leave the country without him, he must rely on his wits to get by, and before long he is running his own--rather unusual--business. By the Newbery Award-winning author of Dicey's Song.

The year is 1845 and young researcher Eliot Saxby is paid to go on an expedition to the Arctic in the hope of finding remains of the by now extinct Great Auk. He joins a hunting ship, but the crew and the passengers are not what they seem. Caught in the web of relationships on board, Eliot struggles to understand the motivations of the sociopathic Captain Sykes; the silent First Mate, French; the flamboyant laudanum-addicted Bletchley; and most importantly of all,

Bletchley's beautiful but strange 'cousin' Clara. As the ship moves further and further into the wilds of the Arctic sea, Eliot clings to what he believes in, desperate to save Clara but drawn irrevocably back into the past that haunts him.

From London to Corsica to Paris -- as a young woman pursues the truth about her late mother, two captivating love stories unfurl in this captivating novel from the author of *The Guest List*. Kate Darling's enigmatic mother -- a once-famous ballerina -- has passed away, leaving Kate bereft. When her grandmother falls ill and bequeaths to Kate a small portrait of a woman who bears a striking resemblance to Kate's mother, Kate uncovers a mystery that may upend everything she thought she knew. Kate's journey to find the true identity of
