mini-cases throughout to apply chapter concepts to the types of situations managers of multinational firms face. The 15th Edition attempts to capture the rapid evolution of our global marketplace, taking a closer look at the types of organizations that permeate the

Online Library Book

widespread arena,
competition, and
opportunities in
emerging markets,
and how financial
leadership can
integrate the strategic
and financial
challenges that global
businesses face today.

This textbook
introduces students
to the fundamental

Online Library Book

workings of business and finance in the global economy. It brings clarity and focus to the complexities of the field and demonstrates the key linkages between the foreign exchange markets and world money markets. Core topics examined include: corporate

Online Library Book

aspects of international finance, with special attention given to contractual and operational hedging techniques the mechanics of the foreign exchange markets the building blocks of international finance the optimal portfolio in an international setting. Michael

Online Library Book

Connolly also provides up-to-date statistics from across the globe, relevant international case studies, problem sets and solutions and links to an online PowerPoint presentation. International Business Finance is an engaging and stimulating text for

Online Library Book

students in
undergraduate and
MBA courses in
international finance
and a key resource
for lecturers.

An in-depth treatment
of the international
financial arena
Multinational
Finance, Fifth Edition
assumes the
viewpoint of the

Online Library Book

financial manager of a multinational corporation with investment or financial operations in more than one country. This book provides a framework for evaluating the many opportunities, costs, and risks of multinational operations in a manner that allows

Online Library Book

readers to see beyond the math and terminology surrounding this field to realize the general principles of multinational financial management.

Logically organized and written in a clear, non-technical style, this book includes information on

Online Library Book

International finance topics such as foreign exchange, currency and derivatives markets, currency risk (transaction, operating, and translation) management, country risk, international taxation, capital structure, cost of capital, and international portfolio

Online Library

Book

diversification. It also offers unique chapters on multinational treasury management, the rationale for hedging currency risks, options on real assets, international corporate governance, asset pricing, and portfolio management.

Online Library Book

Emphasizes the managerial aspects of multinational finance with graphs, figures, and the use of numerous real-world examples Expands on the treatment of parity disequilibria to include exchange rate expectations that differ from parity and a project's operating exposure to currency

Online Library Book

Provides an overview and comparison of the various derivative instruments and their use in risk hedging. Contains valuable insights on valuation and management of a multinational corporation's investments. If you're looking for the best way to gain a firm

Online Library Book

Understanding of
multinational finance,
look no further than
the fifth edition of
this classic text.

This is the 12th
edition of the market-
leading Business
Finance, a highly
regarded text that has
now been around for
over 40 years. It
takes a rigorous and

Online Library Book

authoritative
coverage of major
corporate finance
topics, sitting at the
highest level with
regard to technical
concepts. It takes a
strong analytical
approach and is well-
suited to strong
finance units where
students will be
continuing on to
further studies in

Online Library Book

corporate finance.

The Peirson brand is iconic in this market, with its respected author team including three Professors of Finance. The authors' objective for this update is to ensure that new developments in the field are incorporated whilst retaining the theoretical rigour for

Online Library Book

which the text is known. The text is suited to rigorous second-year subjects and lower third year subjects, as well as MBA-level finance nonmajors.
