The relationship between advanced capitalism and democracy contains two paradoxes—one Marxist and one bourgeois. Any serious Marxist analysis has to confront the following question: How has it come about that, in the major and most advanced capitalist countries, a tiny minority class—the bourgeoisie—rules by means of democratic forms? . . .

The Alternative for Germany (AfD) is a-wobble. In May, the nationalist-nativist party expelled its leader in the state of Brandenburg over his past membership of a neo-Nazi group. On 28 September, it had to expel Christian Lüth, a spokesman, over reports that he had talked of shooting and gassing migrants. The party's cadres are turning against each other. Meanwhile, Germany's political ...
