According to John Warrillow, the number one mistake entrepreneurs make is to build a business that relies too heavily on them. Thus, when the time comes to sell, buyers aren't confident that the company-even if it's profitable-can stand on its own. To illustrate this, Warrillow introduces us to a fictional small business owner named Alex who is struggling to sell his advertising agency. Alex turns to Ted, an entrepreneur and old family friend, who encourages Alex to pursue three criteria to make his business sellable: * Teachable: focus on products and services that you can teach employees to deliver. * Valuable: avoid price wars by specialising in doing one thing better than anyone else. * Repeatable: generate recurring revenue by engineering products that

Sophie Cornish and Holly Tucker are the founders of notonthehighstreet.com, an award-winning, multimillion-pound online marketplace selling 50,000 innovative, stylish products. But six short years ago they were maxing out their credit cards, trying to secure loans and crossing fingers that their big idea would take off. Now they've written down all the lessons they had to learn the hard way, drawing not just on their experience but also that of the 3,000 independent businesses they work with: from finance and marketing to PR and getting your workspace right. With startling honesty, they lay bare the truth about getting started while raising a young family at the same time. They believe that anyone should be able to achieve a great working life on their own terms. Here's how.

Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: $\text{Sales} - \text{Expenses} = \text{Profit}$. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a

behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.
- Businesses that attain early and sustained profitability have a better shot at achieving long-term growth.

With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing
