The book argues that foreign direct investment is complementary to trade and most regional arrangements can create trade and induce growth so long as they remain open and non-discriminatory. But they could also become stumbling blocks to globalization. The book demonstrates how US and EU trade policy will be crucial in shaping the world economy.

Mark 9:38-50 03/22/15 Stumbling Blocks to Building Blocks Today's Scripture doesn't hold anything back does it. I mean it sounds fairly gruesome for Jesus to be telling his disciples to be cutting off their hands, feet and eyes. I would like to start out with stating that Jesus was using hyperbole although we must []
