Companies Built To Last

'Built to Last is an unusual business book - seriously researched, unconventional in its conclusions...[It] is well worth reading, particularly by those engaged in trying to reinvigorate our nation's largest enterprises.' -- Richard J. Tofel, Wall Street Journal 'In Built to Last, Collins and Porras present a brilliant and lucid analysis and, yes, a blueprint for organizational excellence. It ...

1989. The album was released on CD in 1989 by Arista Records before being rereleased in 2000 by BMG International.

Built to Last - Wikipedia

Built to Last is a very well researched and a convincing book that has definitely opened my mind to new ideas and thoughts about companies. Every chapter of the book is important. The authors have evidently shown visionary and comparison companies to show how the same idea may not still work if you don't have certain characteristics. The best and maybe the most scariest part is that there is ...
