In 1963, the first edition of Legal and Regulatory Environment of Business, authored by Bob Corley, started a new course emphasizing the legal environment in which business is conducted. By focusing on the public nature of how government regulates business activities, rather than simply how businesses privately make transactions, a movement away from traditional Business Law began. Through its previous 14 editions, The Legal and Regulatory Environment of Business has been the leader in setting the standard for materials covered in an introduction to the legal and regulatory environment of business.

This interactive CD-ROM Edition is based on the best selling print version of West's Business Law, 9th Edition. This CD-ROM can be used as a stand alone item or in conjunction with the text.
