In this post, we ' ll explain what a decree of judicial separation is and how it can benefit couples considering a divorce. The Purpose of a Decree of Judicial Separation. Much like a divorce, a decree of judicial separation is a court order, however, legally separated couples will still be married. In judicial separation cases, the court has the same range of powers as it does in divorce cases in terms of dividing the marital assets and arranging child custody and maintenance.

judicial decree - Academic Dictionaries and Encyclopedias

A consent decree is an agreement or settlement that resolves a dispute between two parties without admission of guilt or liability, and most often refers to such a type of settlement in the United States. The plaintiff and the defendant ask the court to enter into their agreement, and the court maintains supervision over the implementation of the decree in monetary exchanges or restructured interactions between parties. It is similar to and sometimes referred to as an antitrust decree, stipulate
