A biography of the man and his missions, written in simple English.

A biography of C.T. Studd, a wealthy Englishman who became famous for his missionary work in Central Africa.

Nurtured in the lap of comfort, educated at Eton and Cambridge, the hero of the British sport-loving public, C.T. Studd, whose Cambridge career has been described as "one long blaze of cricketing glory", created a stir in the secular world of his youth by renouncing wealth and position to follow Christ. He was captain of the Eton XI in 1879, and of Cambridge University in 1883, being accorded in the latter year (vide The Cricketing Annual) "the premier position as an all-round cricketer for the second year in succession". The illness of a brother brought him face to face with realities and the transitoriness of worldly riches and fame. He obeyed the divine command, "Go thy way, sell that thou hast and give to the poor ... take up thy cross and follow me", throwing himself into the work which had called him with the same thoroughness and earnestness with which he had learned to "play a straight bat". Henceforward his life was dedicated to the service of God and his fellow men, first becoming a missionary in China, as the leader of the 'Cambridge Seven'. After spending fifteen years in China and six in India, he devoted the rest of his life to spreading the Gospel message in Africa, founding the Worldwide Evangelisation Crusade. His name remains particularly linked with the evangelisation of the Congo Basin. Norman Grubb, Studd's own son-in-law, has written an exciting description of the life that he led, showing the enormous impact that he had on his contemporaries. Translated into over 40 languages, C.T. Studd: Cricketer and Pioneer remains a best-selling biography of a great Christian, an epic of faith and courage against great odds that will be an inspiration to all who rejoice in a tale of high endeavour.

- A Deeper Christian Classic -Difficulties, dangers, disease, death, or divisions don't deter any but Chocolate Soldiers from executing God's Will. When someone says there is a lion in the way, the real Christian promptly replies, "That's hardly enough inducement for me; I want a bear or two besides to make it worth my while to go." Reading the words of C.T. Studd (1860-1931)-Britain's famous cricketer and missionary to China, India, and Africa-is no easy endeavor. The words are simple but each phrase is packed with a punch that leaves you reeling, convicted, and yet oddly inspired. If Studd argued that his day was filled with "namby-pamby lukewarm" Chocolate Christians, I fear what he would say about our generation today. And yet his call couldn't be more needed: be a true soldier of Jesus Christ and plunge headlong into the world in the power of His Spirit, to proclaim the Gospel and live out the true, historic, and victorious Christian life. This Deeper Christian Classic edition includes: The Chocolate Soldier-or also known as: Heroism: The Lost Chord of Christianity Only One Life, Twill Soon Be Past (a famous poem by Studd) A collection of poems Studd wrote entitled Quaint Rhymes for the Battlefield A collection of our favorite C.T. Studd quotes Only one life, 'twill soon be past, Only what's done for Christ will last.

Presents the life of a Dutch missionary who, after working for the Dutch army in subduing rebels in the East Indies, underwent a conversion to Christianity and, in 1955, began secretly supplying Bibles and equipment to Christians in Iron Curtain countries.

After becoming the most educated woman in the American South, Lottie Moon (1840-1912) spent thirty-nine years in China. As she watched her fellow missionaries fall to disease and exhaustion, she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life. Today, an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel.

"Each true story in this series by outstanding authors Janet and Geoff Benge is loved by adults and children alike. More Christian Heroes: Then & Now biographies and unit study curriculum guides are coming soon. Fifty-five books are planned, and thousands of families have started their collections! Horrified by the poverty and human misery in industrial England, General William Booth and his Salvation Army brought the gospel and life-changing social services to the outcasts of society (1829-1912).

Presents the life of Rachel Saint, a missionary who spent more than twenty years preaching Chistianity to the Waorani Indians of Eucador, who were responsible for the death of her brother, also a missionary.

From the Founding Fathers through the present, Christianity has exercised powerful influence in America—from its role in shaping politics and social institutions to its hand in art and culture. The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play. This masterful multi-volume reference includes biographies of major figures in the Christian church in the United States, documents and Supreme Court decisions, and information on theology and theologians, denominations, faith-based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, women's issues, racial issues, civil religion, and more.

What is God calling you to do? Christ called His followers to take the gospel to the ends of the earth. Simple enough, right? But not everyone can go to the ends of the earth, or we'd be abandoning the lost here at home. So, how are people supposed to determine whether they should stay or go, whether or not they've received "the call"? This updated edition of The Missionary Call explores the biblical, historical, and practical aspects of discerning and fulfilling God's call to serve as a missionary. Using Scripture and lessons from actual missionaries, Dr. Sills cuts through the prevailing confusion to offer much needed biblical wisdom and clarity. This volume also includes pertinent new content on: how business professionals overseas can participate in missions the advantages and disadvantages of using technology to do missions work long-distance how globalization and urbanization are changing missions today the pros and cons of short-term mission trips and how to do them effectively and more!
