From the New York Times best-selling author of *You Can Heal Your Life* Mirror work has long been Louise Hay's signature method for cultivating a deeper relationship with yourself and others, and leading a rich and meaningful life. Now, in *Mirror Work*, she shows how in just 21 days, you can master this simple but powerful practice as an ongoing support for positive transformation and self-care. "I have been teaching people how to do mirror work as long as I have been teaching affirmations . . . The most powerful affirmations are those you say out loud when you are in front of a mirror, looking deeply into your eyes. A mirror reflects back to you the feelings you have about yourself. It makes you immediately aware of where you are resisting and where you are open and flowing. It clearly shows what thoughts you will need to change if you want to have a joyous, fulfilling life." - Louise Hay

Is your favorite lap warmer always ready to keep you company on dark and stormy nights? No matter if your friend is furry, finned, feathered, or leathered, no doubt your pet plays an important role in your life and your family. In fact, your pet may be your family. But after the inevitable happens and you sob your last good-bye, will you see your pet again? In Heaven? Does your pet have a soul? Will your pet go to Heaven? This fun and light-hearted look at a seriously sad subject reveals many perspectives about Spot's stairway to Heaven, Fluffy's final resting place, and birds of Paradise. Will your pet rabbit rest in peace, or will your fish float forever in the septic tank? In addition to their own blend of passionate and compassionate diva dialogue, the four writers quote devoted pet owners, clergy, friends, family, and even those who just aren't "pet people." From the variety of perspectives and opinions, this is a heart-warming, tail-wagging conversation sure to keep you smiling from now until then...
