Called to Account: How Corporate Bad Behaviour and Government Waste Combine to Cost us Millions. Paperback - 6 April 2017 by Dame Margaret Hodge (Author)

Called to Account: How Corporate Bad Behaviour and ...

In contrast to the post-Brexit summer of turmoil and gloom, Called To Account casts a ray of light on the best of what a functioning representative parliamentary democracy can achieve through its committee work: transparency and accountability. In an age of disenchantment with politicians and parties, it provides rare insight into how cross-party collegiality can place partisanship aside to represent and serve the public interest.

Called to Account: How Corporate Bad Behaviour and ...

As its chair from 2010-15, Margaret Hodge knows the excesses of government bodies better than anyone. Conversational, witty, engaging and packed with anecdotes and insights about the biggest political figures of our time, Called to Account shines a light on some of the most fascinating - and alarming - issues that face Britain today.

Called to Account. This book, written by the erstwhile Chair of the House of Commons Public Accounts Committee and subtitled "How Corporate Bad Behaviour and Government Waste Combine to Cost Us Millions", should be compulsory reading for every accountant. Since Dame Margaret Hodge turned herself into the scourge of the tax avoidance industry, many members of the profession have regarded her as an unnecessary evil intent on threatening their livelihoods.
