Car Insurance Made Simple: Insights from a 20+ year ...

The idea behind auto insurance is fairly simple: the driver or policyholder agrees to pay the premium, and the insurance company agrees to cover the losses as determined in the policy. No matter which state you live, there are legal requirements for the minimum amount of insurance and types of insurance.

To hire a car, you must be 21 years of age, and special insurance must be purchased for younger drivers between 17-20, so keep this in mind if you are in this bracket. For drivers aged 70+, an extra insurance is required which can be quite expensive. Better check beforehand! Remember to bring a valid driver's license and passport for you and other drivers on the contract.

Insurance can be confusing and expensive, but it's also necessary protection from risk. To alleviate that confusion, Tony Steuer has created a comprehensive guide to insurance—from how to calculate your ideal level of coverage to avoiding fraud—using the familiar metaphor of professional football. Your agents act as your coaching team, and each type of insurance is a player on your team, covering a different position. Let's see who's on the roster: □ Auto insurance □ Disability insurance □ Health insurance, including Medicare □ Homeowner's/renter's insurance □ Life Insurance □ Long-term-care insurance □ Annuities Insurance coverage is a personalized product, based on a specific need to cover a risk. Don't overpay for the wrong coverage. Draft the right players now with Insurance Made Easy.

NEW YORK TIMES BESTSELLER □ In her book, Melinda tells the stories of the inspiring people she's met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace. □ President Barack Obama □ The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what's possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page. □ Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead □ Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever. □ Malala Yousafzai "Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms." □ Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. □ How can we summon a moment of lift for human beings □ and especially for women? Because when you lift up women, you lift up humanity. □ For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she's learned from the inspiring people she's met during her work and travels around the world. As she writes in the introduction, □ That is why I had to write this book □ to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live. □ Melinda's unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

□ A Guide to Trade Credit Insurance □ is a reference book on trade credit insurance, written from an international perspective. It is a compilation of contributions from various authors and reviewers drawn from ICISA member companies. The book provides an overview of the whole process regarding trade credit insurance, including the history of trade credit insurance, trade credit insurance providers, the underwriting process, premium calculation, claims handling, case studies and a glossary of terminology.

AND MUCH, MUCH, MUCH MORE!!!

The automotive industry appears close to substantial change engendered by “self-driving” technologies. This technology offers the possibility of significant benefits to social welfare – saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.
