and guidance on those aspects of planning and design that will enable car parks to perform their function efficiently, economically and at the same time be user friendly. The authors do not see car park

Where To  
Download Car  
design as being  
a finite art but  
as a compromise,  
a balancing act  
between  
motorist's  
spatial desires  
and the  
practical need  
to achieve  
economy of  
construction and  
effective use of  
the site area.
