I then chose the pencil tool to trace the horse and rider from frame 1. When you are done adding a frame in front of each photo and tracing each of them, go back and delete all the original photographs so that all that is left of your animation are the line drawings. Many cartoons and advertisements are created this way.

The Helpful Art Teacher: Cartooning and Animation

How to Teach Cartooning. The basics of drawing are the same regardless of what a student is drawing. Most artists can break a subject down into its most basic geometric parts. What sets cartooning apart is the ability of

the artist to exaggerate the movements of the characters and to use "camera" angles to their best advantage to tell the story. Additionally, students will learn quite a bit about cartooning by studying source materials and drawing from life each day.
