Manasie Akpalapiik. Inuit Universe. The Raymond Brousseau Collection
"It (also) symbolizes the permanency of the debt owed to those whose names are carved upon it ... There is simply not enough stone within the highest mountain to chisel all we wish to say." ...

This is a study of the social construction and the impression management of the public forms of worship of Catholicism and Anglicanism. Interest centres on the dilemmas of the liturgical actors in handling a transaction riddled with ambiguities and potential misunderstandings. The study is an innovative effort to link sociology to theology in a way that serves to focus on an issue of social praxis.

A horde of demons from the Abyss. A dread master of the undead. A choice between saving a single city versus the entire world. The tower in the mists has been wrested from the Empress of the Damned and her undead army. Yet demons still hold the tower in the mountains and are using it to summon more of their kind. The problem is demons are not your normal monsters. Weapons of great power are needed to defeat them, demon slaying weapons like those of legend. At the same time, Penwick has come under attack from the inside. Creatures of the night have infiltrated the city and people are disappearing at an alarming rate. Even more terrifying, these vampires might be heralds of the dread Undead Thrall Master. With all Arintha at stake, can the companions protect Penwick and still find the magic they so sorely need before demons overrun their entire world?

"This illustrated catalogue presents fifty-nine Greek funerary monuments in the Antiquities collection of the Getty Museum. Spanning the Classical and Hellenistic periods, the sculptures typically show the deceased either alone or surrounded by family. Ranging from depictions of seated mothers and modest maidens to nude boys and armed warriors, this collection offers new insight into Greek art and society that will undoubtedly pique the interest of both scholars and the general public."--BOOK JACKET.

Volume eight: New aliens, old adversaries, and planetary disasters confront Enterprise. The loyalty of the Bridge crew to Kirk is tested when Sulu and Chekov, labeled traitors, are helped by Dr. McCoy and Scotty, along with Kirk, Spock, and Klingon commander Kang, to bring the real traitors to justice. Kirk faces a Dohlman and with Uhura's help everts a war and establishes the true Dohlman on the throne. Kirk is sorely tested by the joy machine created by a planet seeking unbounded joy if one gives control to the machine. Enterprise and crew, thrown back in time during military maneuvers, discover their home planet never evolved humans. A landing team must stop a group of Ru determined to destroy the asteroid that changed the evolutionary line of earth. New comrades come from the future seeking help against the suffocating control of the Consilium. Enterprise meets new aliens: the Tauteans who nearly destroy themselves in the search for unlimited energy; the Rimillians facing a civil uprising as one group attempts to re-start their planet's spin; Furies, a dedicated group of new aliens, who threaten the Klingon Empire; and the yagghorth, a radiation-sensitive alien. Dr. McCoy faces the news of an unknown daughter while Sulu embraces the daughter he didn't know he fathered. An aging Kirk, called upon to witness the launch of a new hospital ship, which he fears will be disastrous as it has no captain, finds his fears confirmed. Deciding he doesn't want to grow old and give up adventuring in space, Kirk agrees to help the planet Chal.

Sounding 7 begins with Echo 107 titled CONTEMPORARY EUROPEAN EYES ON THE OZ CULTURE-CLASH FRONTIER followed by echoes on BUCKLEY REVISITED, AFTER THE PROTECTORATE CRUMBLEd and WHAT OF PROTECTOR ROBINSON? Echoes follow on salvaging tribal ways, the Merri Creek black orphanage, going round the bend! at the Asylum and Echo 114: THE CELESTIALS OF VICTORIA, being the resented Chinese gold miners. Exploring the contrasting fate of Batman, La Trobe and Darrimut, leads into echoes on fringe-dwelling, cultural resistance and Oz racism, in particular the mass psychology of racist ideology that culminated with World War 2. After the gold rush era, life and right behaviour at the Healesville Coranderk mission station and re-thinking William Thomas the Aboriginal Guardian lead to the pleasant notion of civilizing British colonies through sport. The life and exploits of Tom Wills is celebrated in Echo 122: THE MAKING & BREAKING OF VICTORIA'S FIRST SPORTING HERO. Turning to political history, Oz class struggles, convicts, capitalism and nation-building asks the question with Echo 124: WHITHER MARXISM (?) and then BRITISH EMPIRE POLICY REFORMS IN THE 1840s to contain a Chartist-led revolution. Facets of Victorian (quality of life): since the land grab are followed by echoes on the astrology of the 1802 Port Phillip Crown possession claim and an echo titled TOWARDS AN ASTROLOGY OF CIVILIZATION. The Sounding concludes with approaches to researching Aboriginal society, an undergraduate essay on the Dreamtime and finally with Echo 130: A RAINBOW SERPENT BRIDGE. Today in the 21s century, I wonder how differently Oz would have developed if the then ruling British government in Sydney and London had not used censorship to delay the gold rush for almost 40 years! Sounding 8 begins with Echo 131: HISTORY DISTORTION & CENSORSHIP and is backed up with a critique of Britannia's pirate empire that together spawn two more echoes of doubtful but controversial polemics in 1421: THE YEAR CHINA DISCOVERED THE WORLD suggesting they were here in Oz many centuries before Captain Cook. Echo 135: THE KADAITOHA SUNG MEETS THE DRUID INHERITANCE pits Palm Islander Sam Watson's 1990s fiction The Kadaitoha Sung [the clever! occult Oz Dreamtime] in occult war with the equally ancient European / Celtic / Druid magic in the psyche of the Aryan traces, so to speak. Going even further out on a limb, the focus shifts to recent light shed on (dark ages barbarians) now considered by some historians to have been more culturally refined than the modern city individual. Back in Oz with Echo 137: WHITE MAN'S LAW ! BLACKFELLOW LAW and Echo 138: McLEOD'S BUCKET FROM SKULL CREEK brings Western Australia after WW2 into wider awareness with the Pilbara pastoral workers strike of 1946-49 that won half-decent wage rights for Aboriginal stockmen. Moving further north, Echo 141: RECENT ARNHEMLAND CONNECTIONS Part 1: Taming the NT is the stuff of White Australia's race-based patriotism as depicted in Ion Idriess's once-mainstream fascist fictions counterpointed by Part 2: James Gaykamangus's Striving to bridge the chasm: my cultural learning journey. The final echo 142 talks treaty.
