Champions is a superhero role playing game system. Affectionately referred to as the Big Blue Book (BBB) this book is the core rule book for the 4th edition of the game. Prior to the 4th edition the rules were spread out between five different books, which resulted in mechanics that were diffuse and inconsistent. The 4th edition was to fix both of these problems as well as combine all the rules from all the books into one cohesive whole.

These books, though uneven in quality, shared a brio, a sense of imagination and excitement, that fans still recall fondly.

Ken Cliffe reviewed the 4th edition of Champions for White Wolf #20, rating it 3 out of 5 overall, and stated that "I recommend this book to anyone already familiar with the hero system, and suggest the Champions game to anyone who enjoys exact, complicated role-playing. To those looking for slick, fun role-playing, I say look to other SHRPGs and other game systems."
