In the north of the world the forces of Chaos gather, awaiting their moment to strike. At their head is the Everchosen, the warrior who will lead the final, cataclysmic assault that will usher in the End Times and the reign of the Ruinous Powers. But he was not always thus - he was once a man, a devout servant of the warrior-god Sigmar. What could cause such a soul to fall to the worship of the Dark Gods? What dark events could have put a knight of the Empire on the path to becoming the harbinger of the world's end? And just who was the man who will become known to all as Archaon? Commander Farsight is back! The second book in the Farsight Series sees the hero of the T'au face the forces of Chaos for the first time. High Commander Farsight, fresh from his victory against the Imperium over the Damocles Gulf, looks to his borders and finds his old enemies – the savage and warlike orks – assailing his worlds and threatening to ravage the heart of the T'au Empire. Farsight's obsessive crusade will see him locked in an escalating conflict with the greenskins, and he will stop at nothing until their infestation is purged. In the background, foul forces are at work, however – forces that will do whatever they can to see the military genius of Farsight fall on the daemon-haunted world of Arthas Moloch. Can Farsight stand in the face of new truths, and will the T'au Empire stand with him?
