In the months leading up to the 2016 presidential election, liberal outcry over ethnonationalist views promoted a vision of America as a nation of immigrants. Given the pervasiveness of this rhetoric, it can be easy to overlook the fact that the immigrant rights movement began in the US relatively recently. This book tells the story of its grassroots origins, through its meteoric rise to the national stage. Starting in the 1990s, the immigrant rights movement slowly cohered over the demand for comprehensive federal reform of immigration policy. Activists called for a new framework of citizenship, arguing that immigrants deserved legal status based on their strong affiliation with American

So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community?
