Gogol is named after his father's favourite author. But growing up in an Indian family in suburban America, the boy starts to hate his name and itches to cast it off, along with the inherited values it represents. Gogol sets off on his own path only to discover that the search for identity depends on much more than a name.

Following All the Pretty Horses in Cormac McCarthy's Border Trilogy is a novel whose force of language is matched only by its breadth of experience and depth of thought. In the bootheel of New Mexico hard on the frontier, Billy and Boyd Parham are just boys in the years before the Second World War, but on the cusp of unimaginable events. First comes a trespassing Indian and the dream of wolves running wild amongst the cattle lately brought onto the plain by settlers -- this when all the wisdom of trappers has disappeared along with the trappers themselves. And so Billy sets forth at the age of sixteen on an unwitting journey into the souls of boys and animals and men. Having trapped a she-wolf he would restore to the mountains of Mexico, he is long gone and returns to find everything he left behind transformed utterly in his absence. Except his kid brother, Boyd, with whom he strikes out yet again to reclaim what is theirs thus crossing into "that antique gaze from whence there could be no way back forever." An essential novel by any measure, The Crossing is luminous and appalling, a book that touches, stops, and starts the heart and mind at once.

The 40th anniversary edition of the classic Newbery Medal-winning title by beloved author Katherine Paterson, with brand-new bonus materials including an author's note by Katherine herself and a foreword by New York Times bestselling author Kate DiCamillo. Jess Aarons has been practicing all summer so he can be the fastest runner in the fifth grade. And he almost is, until the new girl in school, Leslie Burke, outpaces him. The two become fast friends and spend most days in the woods behind Leslie's house, where they invent an enchanted land called Terabithia. One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. Bridge to Terabithia was also named an ALA Notable Children ' s Book and has become a touchstone of children ' s literature, as have many of Katherine Paterson ' s other novels, including The Great Gilly Hopkins and Jacob Have I Loved.

PURA BELPRÉ HONOR BOOK ALA NOTABLE BOOK " An important, must-have addition to the growing body of literature with immigrant themes. " —School Library Journal (starred review) Twelve-year-old Jaime makes the treacherous and life-changing journey from his home in Guatemala to live with his older brother in the United States in this " powerful and timely " (Booklist, starred review) middle grade novel. Jaime is sitting on his bed drawing when he hears a scream. Instantly, he knows: Miguel, his cousin and best friend, is dead. Everyone in Jaime ' s small town in Guatemala knows someone who has been killed by the Alphas, a powerful gang that ' s known for violence and drug trafficking. Anyone who refuses to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There ' s only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, The Only Road is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. The story is " told with heartbreaking honesty. " Booklist raved, and " will bring readers face to face with the harsh realities immigrants go through in the hope of finding a better, safer life, and it will likely cause them to reflect on what it means to be human. "

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque ' s masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. " The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. " —The New York Times Book Review

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

"It's 1932, and twelve-year-old Cal Black and his pop have been riding the rails for a year after losing their farm in the Great Depression. Cal likes being a "knight of the road" with Pop, even if they're broke. But then Pop has to go to Washington, D.C.—and Cal can't go with him. So Pop tells Cal something he never knew before: He's a Creek Indian, which means Cal is, too. And Pop has decided to send Cal to Challagi Indian School, a government boarding school for Native Americans in Oklahoma. At Challagi, the other Creek boys quickly take Cal under their wing. Even in the harsh, miserable conditions of the school, Cal begins to learn his people's history and heritage, language, and customs. And most of all, he learns how to find strength in a group of friends who have only one another"—Page [4] of cover.
