Effective Church Growth Strategies outlines the biblical foundations necessary for raising healthy churches. Dr. Joseph Wall and Dr. Gene Getz examine the groundwork essential for church growth, qualities of biblically healthy churches, methods for planting a new church, and steps for numerical and spiritual growth. The authors' study of Scripture, history, and culture will spark a new vision for today's church leaders.

Now in paperback, multi-awarded national hit Simple Church shares a clear message from case studies of 400 North American congregations: Church is done best when it's kept simple.

Proven strategies for growing churches by overcoming natural barriers to growth created by various leadership dynamics, now in paperback.

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. Smart Church Management: A Quality Approach to Church Administration, Third Edition is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

An influential pastor, podcaster, and thought leader believes it's not only possible to predict life's hardest moments, but also to alter outcomes, overcome challenges, and defeat your fiercest adversaries. Founding Pastor of one of North America's most influential churches, Carey Nieuwhof wants to help you avoid and overcome life's seven hardest and most crippling challenges: cynicism, compromise, disconnectedness, irrelevance, pride, burnout, and emptiness. These are challenges that few of us expect but that we all experience at some point. If you have yet to confront these obstacles, Carey provides clear tools and guidelines for anticipation and avoidance. On the other hand, if you already feel stuck in a painful experience or are wrestling with one of these challenges, he provides the steps you need to find a way out and a way forward into a more powerful and vibrant future. Now available in paperback edition.

Why Plan Strategy? Is church growth theory incompatible with belief in the sovereignty of God? Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit? C. Peter Wagner answers no to both questions. He further believes that no task could be more crucial than fulfilling the Great Commission in our generation, and how to approach and plan for the execution of this task is the questions of the day. Strategies for Church Growth addresses this key issue in a biblically pragmatic way. It brings together for the first time many principles of evangelism and missions which have proved, through recent research and experience, to be effective in implementing the Great Commission. It also unifies, in concise form, the latest research of the Church Growth Movement, the Lausanne Committee on World Evangelization, the U.S. Center for World Mission and numerous other key contributors to the recent explosion of evangelistic technology. Among the topics explored are: - the major components of strategy - choosing the

appropriate strategy - advantages of having a strategy - the theology of church growth - the harvest principle and soil testing - why you should aim for church growth - characteristics of good goals - the meaning of mission and evangelism - how to target your outreach

Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Rick Warren believes that in order for a church to be healthy it must become a purpose driven church by Jesus. Now the founding pastor of Saddleback Church shares a proven five-part strategy that will enable your church to grow. . . - Warmer through fellowship - Deeper through discipleship - Stronger through worship - Broader through ministry - Larger through evangelism. Discover the same practical insights and principles for growing a healthy church that Rick has taught in seminars to over 22,000 pastors and church leaders from sixty denominations and forty-two countries. The Purpose Driven Church® shifts the focus away from church building programs to emphasizing a people-building process. Warren says, "If you will concentrate on building people, God will build the church."

Deborah Anderson Singleton takes a look at mega growth strategies for ministries of any size. Pastors and leaders will learn; How to Clarify their ministry's mission and message. How to Attract the lost Assigned to their hands. How to incorporate their ministry's core message in everything they do. How to handle the harvest of souls given to them for their care

Today's church world is complex, with an array of church and leadership models that can cause confusion rather than bring clarity. It's no wonder that some leaders can lose sight of the church they is commissioned to build. Strategic Church will help pastors and leaders refocus on visioning and building a faith community that is biblically based and spiritually transformative, helping people become fruitful disciples of Christ. Readers will uncover principles from the church Jesus built and find out how to apply these strategies to their local context. Strategic Church offers road-tested tools and proven principles for building a life-changing church in a complex culture.
