Cipher (The Shadow Ravens, Book One) by Aileen Erin | Ink Book One of The Shadow Ravens Series To Be Published: October 14th, 2014 If you're looking for hard sci-fi, this book probably won't be your cup of coffee. Cipher puts more emphasis on the romance side of things than its technological side- and more emphasis on genes and DNA than anything techie. For that reason, I was a bit disappointed: the cover suggested technology would be more than a little advanced.

A jailbreak would be suicide, but Tair is willing to sacrifice everything to give her a chance at happiness. Now Quanta senses a terrifying new future brewing. She and Tair are bound together, but every image of them kissing, smuggling, and acting knee-weakeningly happy is balanced by a much darker possibility. "Twists, action, and adrenaline pumping scenes fly from the pages." -- Pooled Ink Quanta has escaped her laboratory prison, but that’s where the good news ends. Life at the Shadow Ravens’ compound is a disaster. She’s drowning in visions of the dark pasts and darker futures of her fellow Ravens and is plagued by her own panic-inducing memories, but Lady Eva still expects her to “train” and “participate in missions.” Plus, the food tastes like burnt plastic. The only bright spot is her genetic pairing to the brilliant Altair Orpheus. As their relationship grows, she’s positive that chemicals aren’t the only things drawing them together—although chemistry is definitely involved. While they test the limits of her game-changing new ability to reset time, word arrives from Eva’s agents: Doctor Nagi is still experimenting with her DNA. If he succeeds in duplicating her power...Forget the Shadow Ravens. The whole world is toast. The Shadow Ravens Series: 1. Cipher by Aileen Erin,USA Today bestselling author 2. Anise's dream of attending pastry school crumbles with rejection letter after rejection letter. Desperate to escape her dead-end future, Anise contacts the long-lost relative she's not supposed to know about. Great Aunt Agatha owns the only magic bakery in the US, and she suddenly needs a new apprentice. Anise is so excited she books it to New Mexico without thinking to ask what happened to the last girl. The Spellwork Syndicate rules the local witches in Taos, but as "accidents" turn into full-out attacks on Anise's life, their promises to keep her safe are less and less reassuring. Her cranky bodyguard is doing his best, but it's hard to fight back when she has no idea who's the enemy. Or why she became their target. If Anise can't find and stop whoever wants her dead, she'll be more toasted than a crème brûlée. Who knew baking cakes could be so life or death?

For fans of Hex Hall, The Magicians, Practical Magic, and Food Wars! After her run-in with a jealous warlock, apprentice baker Anise Wise can't wait to get back into the kitchen where she belongs. The town's abusz with news that Anise can bake deathly spells, and unsavory characters start lining up for a taste. They'll stop at nothing to use Anise and her witchcraft to further their own plots. From USA Today Bestselling Author Aileen Erin comes the second book in the Anunare Chronicles Broken, beaten-down, and plagued by nightmares, Amihanna di Aetes is surrounded by the Anunare race that makes up the other half of her heritage, but she feels alien amongst them. She's not sure which is worse: SpaceTech's overt hatred of Anunare or the Anunare's covert hatred of halfers. She hears their whispers and sees her death reflected in their eyes. Amihanna doesn't know who to trust anymore, but she hasn't survived this long by ignoring the warning signs all around her, especially when her instincts are screaming to either flee or fight. With Amihanna's sudden return, questions arise among the Anunare: who should be blamed for a full-scale war with SpaceTech, how much danger will the war bring, and is Amihanna truly fit to be the next high queen? Honestly, Amihanna wants to forget the politics, her betrothal to Lorne, and the possibility of being queen. Her needs are much more basic. All she wants is a solid night's sleep where she doesn't wake up screaming with the phantom pain of her skin burning. All she needs is to live without fear of being torn away from her family. All she dreams is a chance at a future instead of constantly fighting for her right to live. And somehow everything leads her back to Lorne.
