fairy tales. Despite subtle differences in the categorizing of fairy tales, folklore, fables, myths, and legends, a modern definition of the fairy tale, as provided by Jens Tismar's monologue in German, is a story that differs "from an oral folk tale", written by "a single ...

### List of fairy tales - Wikipedia

“ Though now we think of fairy tales as stories intended for very young children, this is a relatively modern idea. In the oral tradition, magical stories were enjoyed by listeners young and old alike, while literary fairy tales (including most of the tales that are best known today) were published primarily for adult readers until the 19th ...
