A Multidimensional
Approach to Leadership
Top-down, one-
dimensional leadership
models are hopelessly
outmoded in today's
rapidly changing world,
and they waste the
leadership ability that is
present throughout an
organization. In this

Access Free Co Active

visionary book, Karen
and Henry Kimsey-
House provide a model
that harnesses the
possibility of many rather
than relying on the
power of one. Their
revolutionary five-
dimensional approach
recognizes that
leadership has to be fluid
and flexible and that the
roles leaders and
followers play must shift

to suit the situation. Co-Active Leadership invites all of us to share our expertise and allows collaborative solutions to emerge that would never have been possible otherwise.

This book will free coaches from the cult of asking the magical question by offering five essential practices of reflective inquiry: focus on the person, not the problem; summarize what is heard and
