The Knowing the Bible series is a

File Type PDF Col Hrist Ur lfe

resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level;

File Type PDF Col Hrist Ur lfe

(2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify

how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's

grace on each and every page of the Bible. The books of Colossians and Philemon complement each other as two New Testament texts that gloriously display the gospel and its implications for how God's people should live today. Written around the same

time, both letters resonate with the apostle Paul's overriding passion to magnify Jesus Christ as the supreme manifestation of God's redemptive purposes.

Christ is the portion of the believers. "There is nothing as

vital or as basic to our Christian life and to the church life as the real, practical enjoyment of Christ. This enjoyment is not Christ in doctrine or in knowledge, but Christ in life, in the Spirit, and in reality. He is a living Person for us to deal with."

Too often, our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently, and instead of transforming the

File Type PDF Col Hrist Ur lfe

text to meet our needs, allowed it to transform us? That's exactly the idea behind Life with God, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of Celebration of Discipline and general editor of The RenovarÉ

Spiritual Formation Bible, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read Scripture, we should

File Type PDF Col Hrist Ur lfe

consider how exactly God is with us in each story and allow ourselves to be spiritually transformed. By opening our whole selves—mind, body, spirit, thoughts, behavior, and will—to the page before us, we begin to grasp all the Bible has to teach

about prayer, obedience, compassion, virtue, and grace and apply it to our everyday lives to achieve a deeper relationship with God. With a wealth of examples and simple yet crucial insights, Life with God is an indispensable guide to

approaching the Bible through the lens of Christian spiritual formation, revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge, literary appreciation, or religious

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions

about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and

bishops, and biblical reading in a historical context.
