Kimberly Rae Miller has had a dark family secret that she has spent most of her life trying to keep it hidden. Her parents are hoarders. Miller describes her dad as a dotty, sweet man who goes around trying to collect information whether its listening to news on the radio constantly or picking up every little piece of paper with writing on it ...

~~Coming Clean by Kimberly Rae Miller - Goodreads~~

In Coming Clean, Miller, an actor and writer, chronicles her weird childhood and adolescence, but what's really unusual about this buoyant, winning memoir is that for all that the author describes the familial dysfunction in heartbreaking, copious detail—and for all that she sometimes lost patience with her parents—she never stops showing that she loves them. As readers we come to love them, too!partly because, whatever else, they managed to raise such a smart and witty and generous ...

Coming Clean is a story about recognizing where we come from and the relationships that define us - and about finding peace in the homes we make for ourselves. ©2013 Kimberly Rae Miller (P)2013 Brilliance Audio, Inc. What listeners say about Coming Clean

A memoir about growing up in a cluttered and rat-infested home--the result of her father's struggle with compulsive hoarding--describes how the burden led to the author's suicide attempt and her against-all-odds bond with her parents.

The writer and actress explore her childhood and youth, which was largely defined by her father's struggle with hoarding.

Since he was a teenager, Patrick Kennedy has battled depression and addictions. For years, he hid it from everyone: the stigma was too great, not just for him but for his family, themselves no strangers to problems of addiction. Now, he is coming clean. Patrick first ran for office in Rhode Island at age 21, and went on to win eleven straight elections, including eight terms in the U.S. House--the most electoral victories of anyone in the entire Kennedy family. Yet for much of his career, even as a prominent member of Congress, Patrick self-medicated with drugs and alcohol. On May 4, 2006, he crashed his car in the early morning hours near the Capitol, and his public image began to crack. This book is the first step in a campaign not just for one man, but for every family touched by mental illness and addiction: a spare-no-details, utterly honest memoir of growing up a Kennedy in the spotlight of constant public scrutiny, while secretly suffering. By telling his story, Patrick is embarking on a fight on behalf of everyone who suffers as he did, or indeed with any brain disorder.

A brave and witty examination of how and why we try to control our bodies with food. Like most people, Kimberly Rae Miller does not have the perfect body, but that hasn't stopped her from trying. And trying. And trying some more. Her first attempt to use food to change her body came at age four, when she learned that the Inuit ate fat to stay warm in the winter. If this diet worked in the Arctic, she reasoned, why not in Long Island? Postcollege, after a brief stint as a diet-pill model, she became a health-and-fitness writer and editor working on celebrities' bestselling bios'sugarcoating the trials and tribulations celebs endure to stay thin. But what is the ideal body? Knowing she's far from alone in this struggle, Kim sets out to find the objective definition of this seemingly unattainable level of perfection. While on a fascinating and hilarious journey through time that takes her from obese Paleolithic cavewomen, to the bland menus that Drs. Graham and Kellogg prescribed to promote good morals in addition to good health, to the binge-drinking-prone regimen that caused William the Conqueror's body to explode at his own funeral, Kim ends up discovering a lot about her relationship with her own body. Warm, funny, and brutally honest, Beautiful Bodies is a blend of memoir and social history that will speak to anyone who's ever been caught in a power struggle with his or her own body—in other words, just about everyone.

A fascinating look at compulsive hoarding by a woman whose mother suffers from the disease. To be the child of a compulsive hoarder is to live in a permanent state of unease. Because if my mother is one of those crazy junk-house people, then what does that make me? When her divorced mother was diagnosed with cancer, New York City writer Jessie Sholl returned to her hometown of Minneapolis to help her prepare for her upcoming surgery and get her affairs in order. While a daunting task for any adult dealing with an aging parent, it's compounded for Sholl by one lifelong, complex, and confounding truth: her mother is a compulsive hoarder. Dirty Secret is a daughter's powerful memoir of confronting her mother's disorder, of searching for the normalcy that was never hers as a child, and, finally, cleaning out the clutter of her mother's home in the hopes of salvaging the true heart of their relationship—before it's too late. Growing up, young Jessie knew her mother wasn't like other mothers: chronically disorganized, she might forgo picking Jessie up from kindergarten to spend the afternoon thrift store shopping. Now, tracing the downward spiral in her mother's hoarding behavior to the death of a long-time boyfriend, she bravely wades into a pathological sea of stuff: broken appliances, moldy cowboy boots, twenty identical pairs of graying bargain-bin sneakers, abandoned arts and crafts, newspapers, magazines, a dresser drawer crammed with discarded eyeglasses, shovelfuls of junk mail . . . the things that become a hoarder's treasures.[] With candor, wit, and not a drop of sentimentality, Jessie Sholl explores the many personal and psychological ramifications of hoarding while telling an unforgettable mother-daughter tale.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK POST \* MARIE CLAIRE \* ELITE DAILY \* REFINERY29 \* ROMPER \* PRIDE \* PUREWOW []A gutsy book you need to read right now. Filled with heart and humor, it's scary good.[] []Courtney Love Unwifeable is the [riveting] (Cheryl Strayed), [inspirational] (Issa Rae), [hilarious] (Candace Bushnell) debut memoir from notorious dating columnist Mandy Stadtmiller that is destined to [blow you away] (Colin Quinn). Critics call it [phenomenal] (Cat Marnell), [unflinching] (Elle), [brilliant] (BBC), [outrageously entertaining] (Booklist) and [a must-read] (BuzzFeed). Provocative, fearless, and dizzyingly uncensored, Mandy spills every secret she knows about dating, networking, comedy, celebrity, media, psychology, relationships, addiction, and the quest to find one's true nature. She takes readers behind the scenes (and name names) as she relays her utterly addictive journey. Starting in 2005, Mandy picks up everything to move across the country to Manhattan, looking for a fresh start. She is newly divorced, thirty-years-old, with a dream job at the New York Post. She is ready to conquer the city, the industry, the world. But underneath the glitz and glamour, there is a darker side threatening to surface. The drug-fueled, never-ending party starts off as thrilling—but grows ever-terrifying. Too many blackout nights and scary decisions begin to add up. As she searches for the truth behind the façade, Mandy realizes that falling in love won't fix her—until she learns to accept herself first. This is a true New York fairy tale brought to life!Sex and the City on acid. Perfect for when [you feel stuck in some way and wish to become unstuck] (Caroline Kepnes), you'll all soon see why Unwifeable is one of the best reviewed, most beloved memoirs of the year.

Recounts the author's efforts to rebuild in the face of a failing literary career and his wife's abandonment for another man, describing how his love for his young son inspired the confrontation of his own painful childhood memories.

Growing up with a hoarder can be a confusing, painful, and sometimes dangerous experience. And when it comes to finding help for a hoarder parent, many adult children find themselves taking on the exhausting role of caretaker. As the child of a hoarder, you may be wondering what resources are available to you. Written by nationally recognized obsessive compulsive disorder (OCD) expert Fugen Neziroglu, a regular on the popular TLC television series, Hoarders, Children of Hoarders explores strategies for communicating with hoarder parents and outlines practical intervention skills. In addition, the book shows readers how to let go of the personal shame and guilt associated with being the child of a hoarder. Using mindfulness, acceptance, assertiveness and validation skills, this is the first book written specifically for adult children of hoarders that focuses on the interpersonal effects of hoarding. Inside, you will learn to communicate with your loved ones in a way that minimizes conflict, while still dealing with the logistical and organizational issues that arise when living with or witnessing hoarding behavior. The book also includes tips for reclaiming living space, strategies for ensuring that the health and safety of residents is not compromised by the hoarder's living conditions, and organizational tactics for sorting through the clutter after the death of a parent who hoards. As the child of a hoarder, sometimes it can be helpful to know that you are not alone. In Children of Hoarders, you will get the support that you need to deal with your hoarder parent, and reclaim your own life in the process.

WARNING: This video game may impair your judgment. It may cause sleep deprivation, alienation of friends and family, weight loss or gain, neglect of one's basic needs as well as the needs of loved ones and/or dependents, and decreased performance on the job. The distinction between fantasy and reality may become blurred. Play at your own risk. Not responsible for suicide attempts, whether failed or successful. No such warning was included on the latest and greatest release from the Warcraft series of massive multiplayer on-line role-playing games (MMORPGs)--World of Warcraft (WoW). So when Ryan Van Cleave--a college professor, husband, father, and one of the 11.5 million Warcraft subscribers worldwide--found himself teetering on the edge of the Arlington Memorial Bridge, he had no one to blame but himself. He had neglected his wife and children and had jeopardized his livelihood, all for the rush of living a life of high adventure in a virtual world. Ultimately, Ryan decided to live, but not for the sake of his family or for a newly found love of life: he had to get back home for his evening session of Warcraft. A fabulously written and gripping tale, Unplugged takes us on a journey through Ryan's semi-reclusive life with video games at the center of his experiences. Even when he was sexually molested by a young school teacher at age eleven, it was the promise of a new video game that lured him to her house. As Ryan's life progresses, we witness the evolution of videogames--from simple two-button consoles to today's complicated multi-key technology, brilliantly designed to keep the user actively participating. As is the case with most recovering addicts, Ryan eventually hits rock bottom and shares with the reader his ongoing battle to control his impulses to play, providing prescriptive advice and resources for those caught in the grip of this very real addiction.

Coming Clean by Kimberly Rae Miller: Conversation Starters Coming Clean is a memoir about the dysfunctional childhood of bestselling author and actress Kimberly Rae Miller. The book tells about her experiences as a child and teenager and how they have affected her life. It seems Miller has a successful career and well put-together life, so her childhood must have been normal. However, the book reveals the life and struggles of a girl who grew up in a family that struggles with hoarding. Coming Clean reveals her feelings about growing up, having to hide her father's habit, and just survive Coming Clean, released in 2013, has sold more than 100,000 copies around the world. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: - Promote an atmosphere of discussion for groups - Foster a deeper understanding of the book - Assist in the study of the book, either individually or corporately - Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource meant to supplement the original book.
