This new Blackstone's Guide provides the complete text of the Companies Act 2006, together with a clear explanation of the legislation and its impact. The Companies Act is a major piece of legislation - comprising 1300 sections and 16 schedules. It represents an attempt to reform company law for the 21st century in accordance with the Government's stated objectives of encouraging small companies, promoting shareholder involvement and fostering a long term investment culture. It puts whole areas of company law which are the product of the common law such as directors' duties and derivative actions on a statutory basis for the first time, and implements EU Directives on Takeovers and Transparency Obligations. The 2006 Act almost completely consolidates companies legislation in one place with only a few minor provisions remaining in the 1985 Act. This Guide provides a clear analysis of the new legislation, explaining both its genesis and likely effect. The authors adopt a topic-based approach, focussing on the most important changes and developments for both private and public companies. The Blackstone's Guide Series delivers concise and accessible books covering the latest legislative changes and amendments. Published soon after enactment, they offer timely and expert commentary on the meaning and effects of the legislation, plus a copy of the Act itself. The Guides are a cost-effective solution to key information needs and are the perfect companion for any practitioner needing to get up to speed with the latest changes.

The Companies Act 2006 will be the most radical reform of UK company law for decades. All companies will be affected. Focusing on the provisions of particular relevance to private companies, this practical guide highlights changes to UK company procedure, obligations, and liabilities including the new Table A and model forms of articles, the ending of the requirement for a company secretary, the new code of directors' duties, new procedures for company meetings, resolutions, and notices. The book offers the director or company secretary a concise and helpful guide to interpreting and implementing the new UK law.

An easy to use guide to the Companies Act 2006 and packed full of helpful features, this book provides detailed commentary on the new Companies Act. Offering a chapter by chapter analysis of the legal and practical implications of the Act, the author traces the background to the act, considering the various Consultation Documents and White Papers issued by the Government, the proposals for company law reform and their culmination in the Company Law Reform Act. It contains: helpful checklists for the busy practitioner section by section commentary useful appendices of materials and extracts on an accompanying Companion Website. This is an invaluable and handy resource for undergraduate students and practitioners studying or working in business and company law.

Access Free Companies Act 2006 A Guide To The New Law
