A man falls from the fourth floor. It is the only choice he has left to stop suffering. As he falls he announces his last wish, but then his body freezes a few centimetres above the ground. A thread of light descends from above him, he clings to it, and tries to escape from the dark well of depression that has swallowed him. Aldo Amedei is a successful journalist who has lost everything, even his dreams. The past is regret, the present is populated by monsters and ghosts, but he tries to follow that thread of light, that crazy desire that kept him alive, by running the New York marathon. He doesn't even know why he thought of it; after all, he is a man who takes his car to drive a hundred metres. He starts running, like an escaped prisoner hunted by his nightmares. He falls, he gets up, he falls again and gets back on his feet. And each time it hurts more and more. But he doesn't let go. For love, and with the love of Teresa, his young partner. Spitting out his soul along streets full of toil, angels and vultures, he comes back to life, to passion and to dreams. He's helped by a doctor, a unexpected coach and a grandson even crazier than himself. He becomes another person, embedding people into his heart, along with laughter, surprises and new emotions. But his enemies don't give up, they chase him, determined to bring him back into the black well of depression. There's everything still to play for, as in the last challenge, between life and death: the 42 kilometres and 195 metres of the New York marathon. Against the wind and against everything. From Hell to Central Park.

Un uomo precipita dal quarto piano. La sola scelta che gli è rimasta per smettere di soffrire. Mentre cade esprime l'ultimo desiderio. Il suo corpo si blocca a pochi centimetri dal suolo. Un filo di luce scende dall'alto, lui ci si aggrappa e prova a fuggire dal pozzo buio che lo ha inghiottito: la depressione. Aldo Amedei è un giornalista di successo che ha perso tutto. Anche i sogni. Il passato è rimpianto, il presente è popolato da mostri e fantasmi, ma lui prova a seguire quel filo, quel folle desiderio che lo aveva tenuto in vita: correre la maratona di New York. Non sa nemmeno perché lo ha espresso, lui che prende la macchina anche per fare cento metri. Comincia a correre, come un evaso braccato dai suoi incubi. Cade, si rialza. Cade ancora e si rimette in piedi. E ogni volta fa sempre più male. Ma lui non molla. Per amore e con l'amore di Teresa, la sua giovane compagna. Sputando l'anima lungo strade piene di fatica, angeli e avvoltoi. Tornando alla vita, alla passione, ai sogni. Con l'aiuto di un medico viaggiatore, un coach inaspettato e un nipote più folle di lui. Diventando un altro, stampando altri nel cuore. Tra risate, sorprese e nuove emozioni. Ma i suoi nemici non mollano, lo inseguono decisi a riportarlo nel pozzo. Tutto torna ancora in gioco, nell'ultima sfida, tra la vita e la morte: 42 chilometri e 195 metri. Contro vento e contro tutto. Dall'inferno a Central Park.

La passione è ciò che muove l'agire di molte persone. Roberto Di Cesare sognava di fare due cose: lanciarsi con il paracadute e arruolarsi nell'arma dei Carabinieri. Così all'età di 19 anni decise di arruolarsi. Dal quel preciso istante tutte le sue azioni sono state guidate dalla passione per l'Arma e la missione che quest'ultima ha: proteggere le persone, anche a costo di aggressioni pesantissime che hanno messo a rischio la sua vita. Per questi e altri suoi gesti eroici, il militare, attualmente in servizio nel prestigioso reparto della DIA (Direzione Investigativa Antimafia), ha ricevuto alcuni encomi, oltre a diverse onorificenze e medaglie ottenute durante lo svolgimento del proprio lavoro. Per le numerose aggressioni violente subite, infine, gli sono stati riconosciuti gli status di "Vittima della Criminalità" e di "Vittima del Dovero".

Il destino lo ha messo di nuovo al tappeto. Lui si rialza, ma i giorni e le notti non hanno più sapore. Allora prova a ridargli un po' di sale aprendo un cassetto, cercando amore tra vecchie pagine macchiate di caffè e magia. Ma inciampa in un numero. Che fa male e bene. E poi ancora male. Un aereo lo aspetta, ma sa che non può più scappare. Il tempo delle scelte è scaduto, non gli resta che confessare. Tutto, prima che cali il sipario. Il viaggio di Aldo sembra finito, ma invece è appena iniziato. Attaccato allo straccio di un sogno, nella speranza diventi un vestito leggero e profumato...Dall'autore di Corri.

Dall'Inferno a Central Park, una sorprendente favola d'amore contemporanea.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

This new edition of the Modern Italian Grammar is an innovative reference guide to Italian, combining traditional and function-based grammar in a single volume. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition, this text includes clearer explanations, as well as a greater emphasis on areas of particular difficulty for learners of Italian. Divided into two sections, the book covers: traditional grammatical categories such as word order, nouns, verbs and adjectives language functions and notions such as giving and seeking information, describing processes and results, and expressing likes, dislikes and preferences. This is the ideal reference grammar for learners of Italian at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is needed and a glossary of grammatical terms is provided. This Grammar is complemented by the Modern Italian Grammar Workbook Second Edition which features related exercises and activities.

?This book discusses applying vernacular strategies to modern architectural design to adhere to basic green principles of energy efficiency and materials utilization. Written from an international perspective, chapters present the perspectives and experiences of architects and engineers from across the globe. Historically successful approaches are integrated with modern design concepts to create novel, sustainable, and resource conscious solutions. The scope of topics covered include natural ventilation, cooling and heating, daylight and shading devices, and green micro-climate and functional facades, making this a useful reference for a wide range of researchers and workers in the built environment. Covers the most up-to-date research developments, best practices, and innovations from countries all over the globe; Presents the latest research in vernacular architecture and sustainable building; Contains case studies and examples to enhance practical application of the technologies presented.

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream.

Catalogs a variety of sensationalist, low-budget, grade-B movies, including horror, science fiction, Blaxploitation, porn, and spaghetti westerns
