Featuring new chapters on bullying, sexual assault, natural disasters, eating disorders, and cultural considerations, the second edition of this highly popular Handbook provides a one-stop reference for mental health professionals who face a bewildering variety of school-based crises. Key features include a focus on both prevention and intervention and ongoing discussions of the research that underlies best practice. Like the first edition, chapters follow a parallel structure that includes: "the incidence, prevalence, and impact of the crisis;"theories regarding precipitating factors; "discussion of who is at risk for encountering the crisis;"primary prevention activities; "methods of working with high-risk clients;"developmentally-appropriate methods and intervention activities for individuals; and "developmentally-appropriate methods and activities for groups. The result is an unusually coherent volume that is suitable for graduate work in school psychology, school counseling, school social work, and school nursing, or as a reference work for in-service practitioners.

When a student is in dire need of emotional support, caring adults in the school can make a difference. This essential resource helps practitioners prepare all school personnel to respond sensitively and effectively to children and adolescents in crisis. Packed with user-friendly features—including over 50 reproducible tools--the book provides crucial guidance for helping students cope with such stressful circumstances as bullying, abuse, parental divorce, chronic illness, depression, loss, and more. The emphasis is on giving teachers and staff basic crisis intervention skills: how to react, what to say, and what to do to create a safe and supportive environment. In a large-size format with lay-flat binding to facilitate photocopying, the volume's utility is enhanced by many specific training ideas and activities. This book is in The Guilford Practical Intervention in the Schools Series, edited by T. Chris Riley-Tillman.

This book helps school counselors and other school personnel navigate the complexities of the most common critical cases that are urgent and difficult in schools in the 21st century. Counselor educators who use this text will help trainees learn to take a methodical approach to critical cases and to be prepared for the difficult situations they will encounter including cases involving violence, cases of an existential nature, cases involving inappropriate adult behavior, and cases impacting the school community. After a description of the case, the reader is provided with the theories, standards, and experiences that are relevant to the case to formulate a response that is based on foundational principles of the school counseling profession. Contributing counselors from around the country explain what they do when critical cases present themselves, and this text provides their tools, wisdom, and professional judgments and offers training that embraces the reality of the school counselor profession to all counselors, educators, and trainees.

ESSENTIALS OF INTENTIONAL INTERVIEWING, 3rd Edition, delivers a more concise and reader-friendly version of the Iveys' bestselling INTENTIONAL INTERVIEWING AND COUNSELING-one in which every sentence and concept has been reviewed to ensure both relevance and clarity for beginning helpers. The book's multicultural focus reflects the diverse nature of today's classroom and society. The Third Edition retains the authors' renowned microskills model, which revolutionized modern understanding of the counseling and therapy process by teaching students vital interviewing skills step-by-step. This demystifying process breaks down counseling into manageable micro units and builds a bridge between theoretical understanding, mastery of the skills, and the practice of counseling. New to this edition are a chapter on crisis counseling, basic information on neuroscience as it relates to interviewing, brief summaries of key theories of helping, and revised practice exercises. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Jeannine R. Studer's The Essential School Counselor in a Changing Society offers a practical approach to helping students understand the methods and standards in contemporary school counseling. Integrating the new ASCA model as well as the CACREP Standards across all areas of school counseling practice, this core text provides a unique and relevant perspective on the 21st century school counselor. Studer focuses on ethics and ethical decision making, as well as contemporary issues faced by today's counselor—such as crisis response, career counseling and advisement, group counseling, advocacy, and collaboration. The text begins with coverage of school counseling foundations, addresses intervention and prevention, and devotes the final section to enhancing academics through a positive school culture. "Not only does this text address the CACREP standards for school counseling but it also provides excellent examples and applications of school counseling within the ASCA National Model framework!" —Karen D. Rowland, Mercer University "This text is a valuable contribution to the profession, addressing the multi-dimensional and complex roles and responsibilities of the 21th century school counselor. It is a foundational text that counselor-educators can utilize throughout a master's degree program in mentoring interns into the profession." —Diana L. Stephens, California Lutheran University
